Refreshingly straightforward insurance

## Our policy gives you 5 star protection

Hastings Direct and Premier Car insurance policies have been awarded a 5 Star Rating from Defaqto, the independent financial research company. This is great news for our customers and us as it supports our goals of delivering great straightforward service to our customers, as well as being the lowest cost provider of quality general insurance.

Most of all it means we can be confident that our motor insurance products are not only a great price, but are some of the most comprehensive policies on the market.

# Claims service

We hope that you are never unfortunate enough to have an accident or loss, however we also know that these things happen and that the true value of your car insurance lies in the service you receive at this difficult time.

You should notify us of any accident or loss within 24 hours of the occurrence. By notifying us as soon as possible, your insurer can settle your claim quicker, and if your car is repairable, arrange for one of their nominated repairers to be notified as soon as possible. Furthermore quickly notifying us of the incident means that the details are fresh in your mind and can help your insurer lessen the cost involved in dealing with your claim, helping them to keep their prices as low as possible.

## What to do if you have an accident — remember STOP:

- S** **Stop** at the scene of the accident, never admit blame or offer to pay for damage, and tell us if anyone else does.
- T** **Telephone** us on **0844 561 1417**, even if you do not want to make a claim.
- O** **Obtain** the name, address, telephone number and vehicle registration of the other drivers and give yours in return. Try and get details of any witnesses.
- P** **Police**. Call the Police if there has been an injury or if any driver does not stop at the scene or give their details.

If you become aware of any insurance related incident, you must tell us, even if you don't want to make a claim.

**Need to make a claim?**  
Simply call our friendly team on:

**0844 561 1417**

If you need to report an incident from  
outside of the UK, please call us on:

**00 44 1424 738 585**

Remember to save this number in your mobile phone (if you have one) so you will have it available if an incident occurs.

Our claims helpline is open 24 hours a day, 365 days a year and is a first response service with operators who can confirm whether your policy covers you for the incident. When you call us, we will ask you some questions about the circumstances of the incident, we will then transfer you to your insurer's claims department who will take the next steps.

**If the only damage is to the windscreen or windows in your car, please call the glassline shown on your certificate of motor insurance and on your schedule. This line is open 24 hours a day 365 days a year.**

## Repair Service for an accident when using your insurer's nominated repairer:

Remember that by using your insurer's nominated repairer, you will benefit from a number of things, including a guarantee for your repairs, and authorisation and payment direct to the repairer. All you need to do is pay your excess.

You are of course permitted to use your own repairer, however you will not be entitled to the benefits shown in the table below and will need to submit repair estimates to your insurer for authorisation, which may delay the progress of your claim.

|                      |   |
|----------------------|---|
| <b>Repairs</b>       | If the damage to your car is covered under your policy and can be repaired, then your insurer will arrange for one of its nominated repairers to contact you. |
| <b>Authorisation</b> | You do not need to get any estimates and your repairs can begin as soon as your insurer has authorised them.  |
| <b>Delivery</b>      | When the work is complete, the repairer will contact you to arrange a convenient time to deliver your car back to you.  |
| <b>Payment</b>       | Your insurer will pay the bill. All you need to do is pay any policy excess to the repairer before the car is delivered back to you.                          |

If your car is a total loss (a write off), your insurer will ask you to send in your original documents (for example V5C and MOT certificate). Remember to clear your car of personal belongings and your tax disc before it is collected.

### Points you need to know about the courtesy car service:

- The service is only available for the duration of your repairs, if you use one of your insurer's nominated repairers for repairs to your car following damage covered under Sections 1 and 2 of your policy.
- A courtesy car is not available if your car is stolen or is considered to be a total loss
- The courtesy car will usually be a Group A vehicle, such as a Ford Ka.
- The courtesy car will be automatically insured by this policy, subject to underwriting terms and conditions, at no additional cost, and normal policy terms will apply.
- You will be responsible for the courtesy car, including any fines for parking, motor offences and fixed penalties and any congestion or toll charges incurred.

The courtesy car service is provided by the insurer's nominated repairer. You can find out who your insurer is by looking at your statement of insurance, your schedule or your certificate of motor insurance.

Remember, if you have purchased substitute vehicle cover as an optional additional product, you will be able to make a claim for a hire car in the event of your car being declared a total loss following an accident that was your fault, fire or attempted theft. Your statement of price will show if you have purchased this cover, and full details of the policy can be found in your optional additional products booklet.

## Travelling abroad?

Your current policy cover is automatically extended to include travel in the EU and the countries listed in section 5 for up to 90 days per trip.

If you intend to travel for more than 90 days per trip or visit countries not listed in section 5, your policy cover may be extended for the trip or for these countries. Please call our customer service department on 0844 800 3844 at least 7 days before the date of your departure. You may have to pay an additional premium for this.

## Information about your contracts of insurance

You will enter into two separate contracts when you take out an insurance policy through us. The first contract is with us for arranging and administering your insurance policy, on your behalf, and we shall charge you arrangement and administration fees for providing our services. Our terms and conditions are set out in this document.

The second contract is with the insurer noted on your certificate of motor insurance and your policy schedule, for providing your insurance and they shall charge you a separate premium inclusive of insurance premium tax. Their terms and conditions are set out in this document (pages 22–end) and your statement of insurance, certificate of motor insurance and schedule.

The new business arrangement and administration fees and insurer premium will form the cost of the insurance. The amounts paid in respect of the cover you hold are found in your statement of price.

If you make any changes to your policy, additional costs may be incurred.

Please note that when we are arranging your insurance or making any adjustments to it, we are acting on your behalf as your agent. When dealing with claims for Advantage Insurance Company Limited we are acting as the agent for the insurer. All other claims will be dealt with by the insurer concerned. If you are unhappy or concerned with this arrangement or wish to have more information please contact us.

## **Financial Services Compensation Scheme (FSCS)**

We and your insurer are covered by the FSCS. You may be entitled to compensation from the scheme in the unlikely event we/your insurer cannot meet our obligations to you. This depends on the type of insurance, size of the business and the circumstance of the claim.

Further information about the compensation scheme arrangements is available from FSCS ([www.fscs.org.uk](http://www.fscs.org.uk)).

## **Consumer Insurance (Disclosure and Representation) Act 2012**

Under the Consumer Insurance (Disclosure and Representation) Act 2012, you have a duty to take reasonable care to answer all questions as fully and as accurately as possible. If you volunteer information which is over and above that requested, you must do so honestly and carefully.

You should check your statement of insurance to ensure that all facts given are correct. It is an offence to make any false statement or withhold any information for the purpose of obtaining a certificate of motor insurance.

Failure to answer all questions fully and accurately could invalidate your insurance cover and could result in all or part of a claim not being paid.

# Keeping your policy up to date

The terms of your policy and premium are based on the information you have given us. If any of this information changes you should tell us by calling our customer service department. Below are some examples of what you should tell us. Please note these lists are not exhaustive and you should contact us if you are unsure about whether you need to inform us of a change. Any changes to your policy will be subject to your insurer's agreement and may not be acceptable, therefore please contact us for guidance on changes you wish to make. If a change to your policy is acceptable it may result in revised terms and/or a change in the premium. Any changes to your policy will also be subjected to our administration fee, please see page 11 for details.

## **Please tell us immediately if:**

- You or any insured drivers are involved in an accident, no matter how trivial and regardless of blame; or
- You change your address or you or any insured drivers change occupations; or
- Your or any insured driver's driving licence is revoked either temporarily or permanently, or the status of the driving licence has changed, e.g. if you or any insured driver has passed their driving test.

## **Please tell us about the following beforehand:**

- If you intend to change your car.
- If you intend to change what you use your vehicle for.
- If you want to include other drivers.
- If you intend to alter your car from the manufacturer's standard specification. Alterations include optional extras and any changes to bodywork; these include but are not limited to:
  - Changes to the bodywork, such as spoilers or body kits.
  - Changes to suspension or brakes.
  - Cosmetic changes such as alloy wheels.
  - Changes affecting performance such as changes to the engine management system or exhaust system.
  - Changes to the audio/entertainment system.

Please be aware that this is not a full list of all possible changes. All changes made from the manufacturer's standard specification must be disclosed. This policy does not cover any non standard parts (modifications). Manufacturer's optional extras are only covered if they have been declared and your insurer has agreed to arrange cover for them.

If you make a claim for loss or damage to your car, your insurer will only pay the cost of replacing parts needed for your car to meet the manufacturer's standard specification. Failure to notify us of a modification may result in your policy being cancelled or treated as if it never existed, or in your claim being rejected or not fully paid.

### **Please tell us about the following when you renew your policy:**

Should there have been any changes to the insurance details of you or any other person named as a driver under this policy. Such changes to insurance details include, but are not limited to:

- Any information listed on the previous page, that should be advised immediately or beforehand.
- Any accidents, claims, losses or damages to any vehicle, whether or not a claim was made and regardless of blame. This includes all types of claims, damages or accidents such as fire, theft or glass damage (windscreen or window).
- Any prosecutions or motoring convictions that you or any insured drivers have received during the year, or any pending prosecutions, motoring convictions or fixed penalty notices or licence endorsements.
- Any medical or physical condition or disability, for you or any insured drivers, that is notifiable to the Driver and Vehicle Licensing Agency (DVLA)/Driver & Vehicle Agency Northern Ireland (DVANI) which has not been notified to and accepted by the DVLA/DVANI.
- Any non-motoring convictions for all drivers that are not considered spent. A spent conviction is one which, under the terms of the Rehabilitation of Offenders Act 1974, can be effectively ignored after a specified amount of time. If however you have received a prison sentence of more than four years, your conviction will never become spent.

Failure to notify any required changes and to take reasonable care to ensure that any information supplied is provided honestly, fully and correctly may result in your policy being cancelled or treated as if it never existed, or in your claim being rejected or not fully paid.

Renewal terms will be offered based on the information you provided as shown on the statement of renewal. Please check the accuracy of this information and if any details are incorrect you should tell us by calling our renewals team on 0844 800 3844.

## **Client money and instalments**

All money received by us in respect of insurance premiums is held on behalf of the relevant insurer so that you have no risk in the unlikely event of our bankruptcy.

The total price of your insurance is shown in your documents including insurance premium tax where applicable. For legal purposes, we are required to inform you of the possibility that other taxes or costs may exist that are not paid through or imposed by us, however, we are not aware of the existence of any other taxes or costs currently payable.

When dealing with any amendments or alterations to your policy, we will not collect or refund any amounts under £1. Please note that any interest earned by us and any investment returns on any segregated designated investments will be retained by us.

We use a third party to collect and store card details in accordance with industry standards. We will use the card details stored on our behalf to collect payment for mid-term changes, defaulted instalments including the associated fee, balances following cancellation and for the renewal of your policy. We will inform you in advance of doing so.

In the event of you receiving an overpayment, we will attempt to recover our funds using the debit/credit card stored on our behalf.

If payment is initially made by debit/credit card any refund will be made to the same card in accordance with the terms and conditions of the card issuer. All other refunds will be made by cheque. We are unable to give cash refunds.

If you pay using our Direct Debit facility for any adjustments to your premium over the term of your loan, we have the right to ask for part or full payment of any additional amount. Any return of premium will be used to reduce your loan amount.

If you fail to pay us any money you owe to us on the date due and we instruct a third party to collect this amount, you agree to pay our administration fee of £25.

If you do not pay for your insurance, you must show these details to the person who paid on your behalf.

## **Introducer arrangements**

A third party may have introduced you to us and for this the introducer may be paid a fee by us.

## Renewing your policy

At least 24 days before your policy end date we'll send you a notice of renewal letting you know that your policy is due to expire. In most cases, this notice will include an offer to renew for another year. To help you make an informed decision, any offer made will include key facts about your policy, any changes to the policy terms and an offer price.

In a small number of cases, your insurer may not make you an offer to renew your policy. If this happens, we will search our panel of insurers to try and find an alternative insurer for you. If we're able to find an alternative insurer, we'll include their offer in your notice of renewal. Likewise, we'll tell you if we're unable to find you an insurer.

If you're intending to accept a renewal offer, you must take reasonable care to ensure that your information contained in the policy is correct. This includes, but is not limited to, informing us of any accidents, whether or not a claim was made, or any prosecutions or motoring convictions. Failure to notify us of any required changes may result in your policy being cancelled or treated as if it never existed, or in your claim being rejected or not fully paid.

If anything is not correct, or you need to inform us of any changes to your policy, please contact our customer services team on 0844 800 3844.

Each renewal of the policy represents a new contract of insurance. You will enter into a new contract of insurance with your insurer commencing on the cover start date shown on your renewal schedule.

## Automatic renewal

We automatically renew most policies. This means that, unless you tell us otherwise, your new insurance cover will start on your renewal date. If we intend to automatically renew your policy we'll tell you on your notice of renewal.

In a small number of cases, we won't automatically renew your policy. We'll tell you on your notice of renewal if this is the case. Some of the reasons why we may not automatically renew your policy include:

- 1) You have previously told us you don't want to automatically renew your policy.
- 2) Our panel of insurers won't insure you for another year.
- 3) You've an outstanding debt on your current policy.

If you don't want to renew your policy, or wish to opt out of the automatic renewal process, please let us know before your renewal date. You can contact our customer services team on 0844 800 3844.

## After renewal

You have a right to cancel your policy at any time. For full details of your right to cancel please see pages 49-50.

If you pay for your policy by instalments, we'll continue to collect your premium on a monthly basis, using the same accounts details you gave to us the previous policy year.

If you pay for your policy by credit/debit card, we'll collect the renewal premium on the renewal date from the last card details you gave us.

## Data protection notice

Please take a few minutes to read this section carefully as it contains important information relating to the details that you will give or have given us.

You should show this Data Protection Notice to anyone covered or proposed to be covered under this policy. This notice explains how we may use the details you provide us with.

Occasionally, insurers/organisations may transmit or store your data outside the European Economic Area (EEA) in countries that do not have the same standards of protection for personal data as the UK.

## When do we collect personal data?

We collect personal information directly from you when you register for any online service with us or deal with us over the telephone, such as a request for a quote, the purchase of an insurance policy through us or the provision of policy administration or claims handling services. We limit the collection of personal information to what we need to know to maintain the accuracy of our records, and assess the financial standing of customers, to assist us in providing a high standard of service, and to fulfil any legal and regulatory requirements. We will do our best to ensure that your details are accurate and kept up-to-date and we would ask you to assist us in doing so by notifying us of any changes to your personal information.

All personal information provided by you is held securely and in confidence by us in our computerised and other records. When we process your personal information we do so in compliance with the terms of Act. We maintain strict security standards and procedures with a view to preventing unauthorised access to your data. We use leading technologies, such as data encryption, fire walls and server authentication to protect the security of your data. All our staff and all third parties we may hire from time to time to provide support services are required to observe our privacy standards.

## How we will use your data

This notice explains how we may use the details you provide us with. The data you provide will be used by us and shared with other insurers and associated supplier as well as certain statutory and other authorised bodies for:

**Insurance underwriting purposes**—i.e. to examine the potential risk in relation to your (and/or a third party's) prospective policy so that we can:

- Help your insurer to consider whether to accept the relevant risk;
- Make decisions about the provision and administration of insurance and related services for you [and members of your household].
- Validate your (or any person or property likely to be involved in the policy or claim) claims history (at any time, including upon application for insurance, in the event of an accident or a claim, or at a time of renewal).
- Provide your (or any person included on the proposal) Driving Licence Number ("DLN") to the DVLA to confirm your (or the relevant person included on the proposal) licence status, entitlement and relevant restriction information and endorsement/conviction data. Searches may be carried out prior to the date of the insurance policy and at any point throughout the duration of your insurance policy including at the mid-term adjustment and renewal stage. A search of the DLN with the DVLA should not show a footprint against your (or another relevant person included on the proposal) driving licence.

- Searching your (or any person included on the proposal) 'no-claim discount' ("NCD") details against a NCD database to obtain information in relation to your NCD entitlement. Such searches may be carried out against your (or the relevant person included on the proposal) DLN, name, date of birth, Vehicle Registration Mark ("VRM") and/or postcode. A search of the DLN against the NCD database should not show a footprint against your (or another relevant person included on the proposal) driving licence.
- Searches may be carried out at point of quote and if an insurance policy is inceptioned at the renewal stage.
- In relation to our online quotation service, to provide you with one or more online quotations on behalf of one or more insurers.
- In relation to our online cover service, to consider your application for, and facilitate your purchase of, an insurance policy through us.
- To provide you with other services, including managing and administering the insurance policies you take out through us, and providing assistance with your claims and enquiries.
- For the purposes of insurance administration by us or our agents, by our re-insurers and your intermediary (if you have one) and may be disclosed to regulatory bodies for the purposes of monitoring and/or enforcing our compliance with any regulatory requirements
- To offer you the opportunity to renew a policy or purchase a replacement policy.
- To update our records about you.
- To improve the quality of our service and the efficiency of our website and systems.
- If prior consent has been received, we may market you with other products which we believe may be of interest to you.

**Management information purposes**—i.e. to analyse insurance and other markets for the purposes of:

- Portfolio assessment.
- Risk assessment.
- Performance reporting.
- Management reporting.
- Conducting research and statistical analysis to facilitate our internal customer service monitoring.

**Anti fraud purposes**—i.e. to detect and prevent fraudulent claims and/or activities by:

- Sharing information about you with other organisations e.g. insurers, law enforcement agencies and public bodies including the police. These organisations may access and use this information for the detection investigation of or prevention of crime.
- The insurer and other organisations may also access and use this information to prevent fraud and money laundering, for example, when:
  - Checking details on applications for credit and credit related or other facilities.
  - Managing credit and credit related accounts or facilities.
  - Recovering debt.
  - Checking details on proposals and claims for all types of insurance.
  - Tracing debtors or beneficiaries, recovering debt, managing your accounts and or insurance policies.
  - Undertaking fraud searches. Insurers pass information to the Claims Underwriting and Exchange Register and where appropriate the Motor Insurance Anti-Fraud and Theft Register administered by Insurance Database Services Limited (“IDSL”). This helps insurers check information and prevent fraudulent claims. When we deal with your request for insurance we may search these registers.
- Undertaking searches against your (or any person included on the proposal) DLN against details held by the DVLA to confirm your licence status, entitlement and restriction information and endorsement/conviction data. This helps insurers check information to prevent fraud and reduce incidences of negligent misrepresentation and non-disclosure. A search of the DLN with the DVLA should not show a footprint against your (or another relevant person included on the proposal) driving licence.

## Credit checks

Making searches to credit reference agencies, including checking voters roll information.

We and/or your insurer may pass information about you to credit reference agencies, where it is necessary to carry out a credit check search on you before we and/or your insurer provide you with any services (including quotations and prior to offering a renewal). We may also ask credit reference agencies to provide a credit score computation. You should be aware that the results of these searches will be recorded by credit reference agencies and that we and/or your insurer and other organisations may use those records in order to help make credit decisions about you, people financially linked to you and others in your household.

Often insurance and other financial services providers will only request a credit check once you have decided on a particular supplier.

Every application you submit for a loan or credit card, however, may affect your credit score so you may wish to keep applications to a minimum to protect your credit rating.

- Searching your (or any person included on the proposal) 'no-claim discount' ("NCD") details against a NCD database to obtain information in relation to your NCD. Such searches may be carried out against your (or the relevant person included on the proposal) DLN, name, date of birth, Vehicle Registration Mark ("VRM") and/or postcode. A search of the DLN against the NCD database should not show a footprint against your (or another relevant person included on the proposal) driving licence.
- Checking your identity to prevent money laundering (unless you furnish us with satisfactory proof of identity).

The insurer and other organisations may access and use from other countries the information recorded by fraud prevention agencies. You should not assume we will write or make any outside enquiries and should take reasonable care to answer all questions as fully and as accurately as possible. If you volunteer information which is over and above that requested you must do so honestly and carefully.

## **Compliance with legal obligations and responsibilities**

Claims management – In the event of a claim we may need to disclose information with any other party involved in that claim such as third parties involved in the incident, their insurer, solicitor or representative and medical teams, the police or other investigators. We also may have to investigate your claims and conviction history.

Motor Insurance Database—Information relating to your insurance policy will be added to the Motor Insurance Database (MID) managed by the Motor Insurers' Bureau (MIB). MID and the data stored on it may be used by certain statutory and/or authorised bodies including the Police, the DVLA, the DVLNI, the Insurance Fraud Bureau and other bodies permitted by law for purposes not limited to but including:

- Electronic Licensing.
- Continuous Insurance Enforcement.
- Law enforcement (prevention, detection, apprehension and or prosecution of offenders)
- The provision of government services and or other services aimed at reducing the level and incidence of uninsured driving.
- If you are involved in a road traffic accident (either in the UK, the European Economic Area or certain other territories), insurers and or the MIB may search the MID to obtain relevant information.
- Persons (including his or her appointed representatives) pursuing a claim in respect of a road traffic accident (including citizens of other countries) may also obtain relevant information which is held on the MID. It is vital that the MID holds your correct registration number. If it is incorrectly shown on the MID you are at risk of having your vehicle seized by the Police. You can check that your correct registration number details are shown on the MID at [www.askmid.com](http://www.askmid.com).

Complaints management—If you make a complaint about the service we have provided, we may be obliged to forward details about your complaint, including your personal information, to the relevant ombudsman.

## **How your data will be processed**

Information which is supplied to IDSL and MID can include details such as your name, address and date of birth together with details of any injury arising from a claim.

Your data may be transferred to any country, including countries outside of the European Economic Area, for any of the purposes mentioned above.

Under the conditions of your policy, you must tell us about any incident (such as an accident or theft) which may or may not give rise to a claim. When you tell us about an incident, we will pass information relating to it to IDSL and other appropriate agencies. If false or inaccurate information is provided and fraud is identified, details will be passed to fraud protection agencies.

We will pass details of your 'no-claim discount' to certain organisations to be recorded on a NCD database. This will occur if information requires updating or correcting at any stage, and also at the renewal stage of your policy and upon or after the cancellation of your policy prior to the expiry date.

You can ask for more information about this. If you require such information, please contact Hastings Direct.

Please note that if you give us false or inaccurate information it may invalidate your insurance policy or prospective insurance policy or could affect the amount we pay to settle any claims you make under the policy.

## Can I see the personal information you hold about me?

You have the right to receive a copy of the personal information we hold about you at any time, on written request and payment of a £10 administration fee.

- Loss of or damage to **your car** as a result of malicious damage/vandalism, where the Police refuse to issue a crime reference number, however the issuing of a crime reference number will not guarantee settlement of a claim.

### Young and inexperienced driver excess

You will have to pay the first part of every claim for loss of or damage to **your car**. For each claim you will have to pay the following:

- The first £295 when **your car** is being driven by or is in the charge of any person who is under 21.
- The first £195 when **your car** is being driven by or is in the charge of:
  - any person aged 21 to 24; or
  - any person aged 25 or over who holds a provisional licence or who has not held a full UK or EU/EEC driving licence for at least one year.

In either case the amount shown above will apply on top of any other **excess** shown on your schedule. You do not have to pay any **excess** when **your car** is with a member of the motor trade for servicing or repairs not associated with the cover provided by this policy e.g. normal maintenance.

### How your claims are settled

For loss of or damage to **your car** your **insurer** will either:

- pay for any necessary repairs;
- replace **your car**; or
- pay the **market value** of **your car** immediately before the loss (this is not necessarily the value you declared when the insurance was taken out).

Recycled parts or non original parts and equipment may be used in repairs or taken into account in the claims settlement.

If **your car** is a total loss, your **insurer** will (if you and any other interested parties agree) replace it with a new car of the same make, model and specification as long as:

- you have owned **your car** since it was first registered as new; and
- within one year of it being registered as new, **your car** suffers damage where the cost of repair is estimated by your **insurer** to be more than 60% of the current list price (including taxes) of **your car** at the time of the damage; and
- **your car's** recorded mileage at the time of the loss is not more than 12,000 miles; and
- **your car** is not an import and was sourced and supplied as new in the United Kingdom; and
- the replacement car is available in the United Kingdom within 6 weeks from the time of the loss.

If a car of the same make, model and specification is not available, the most your **insurer** will pay is the **market value** of **your car** at the time of loss or damage.

If you are still paying for **your car** under a hire purchase or leasing agreement your **insurer**, may at their option, and where appropriate, pay a claim for the total loss of **your car** to the hire purchase or leasing company.

If **your car** is a total loss, your **insurer** may put it in free and safe storage until your claim is settled. Your **insurer** will also be entitled to take possession of **your car** once they have settled your claim.

If you are paying by instalments and your **insurer** settles a total loss claim under this section all outstanding premium may be deducted from the claims settlement.

Except with the **insurer's** written consent, no admission, offer, promise, payment or indemnity shall be made by you or any person (or on behalf of any person) claiming indemnity under the policy.

Your **insurer** shall be entitled to conduct the defence or settlement of any claim and to instruct the solicitors of their choice to act for you in any proceedings. In circumstances where it is considered appropriate your **insurer** will be entitled to admit liability, for the costs covered under this policy, on behalf of you or any person claiming indemnity under the policy. Such admissions may be made prior to or after the commencement of proceedings in relation to any event likely to give rise to a claim under the policy.

Your **insurer** will also pay the reasonable cost of protection and taking **your car** to the nearest suitable **insurer nominated repairer** or a place of storage after such damage and where appropriate returning it after repair to your address as shown in the schedule.

#### **Costs you may be liable for**

- If your claim is accepted by your **insurer**, and any changes to your policy since it started are identified, you may be liable for any additional premium and associated fees.
- If your claim is settled on a total loss basis and you do not replace **your car** under this policy, you will be liable for your full annual premium, for which we/your **insurer** reserve the right to deduct from your claims settlement.
- If your claim is not accepted by your **insurer**, you may be liable to repay costs already incurred by your **insurer**. These may include, but are not limited to engineers fees, vehicle recovery charges, and vehicle storage charges.

# Section 2

  - fire and lightning.
- Your **insurer** will pay up to £300 for loss of or damage to in-car audio, television, DVD, phone, games-console, electronic navigation or radar detection equipment permanently fitted to **your car**. If the equipment is part of the car's original specification, fitted by the manufacturer/dealer from first registration, cover will be unlimited.

### What is not covered

- Loss of use of **your car** (including the cost of hiring another vehicle).
- Wear and tear.

- Costs of importing parts or accessories or storage costs caused by delays, where the parts or accessories are not available from current stock in the UK.

- Loss, damage or accidental injury, arising whilst **your car** is being used in any rallies.
- This policy does not cover any non standard parts (modifications). Manufacturer's optional extras are only covered if they have been declared and your **insurer** has agreed to arrange cover for them. If you make a claim for loss or damage to **your car**, your **insurer** will only pay the cost of replacing parts needed for **your car** to meet the manufacturer's standard **specification**. Failure to notify us of a modification may result in your policy being cancelled or treated as if it never existed, or in your claim being rejected or not fully paid.
- Loss of or damage to **your car** as a result of an alleged theft or alleged arson, where the Police refuse to issue a crime reference number, however the issuing of a crime reference number will not guarantee settlement of a claim.

### How your claims are settled

For loss of or damage to **your car** your **insurer** will either:

- pay for any necessary repairs;
- replace **your car**; or
- pay the **market value** of **your car** immediately before the loss (this is not necessarily the value you declared when the insurance was taken out).

Recycled parts or non original parts and equipment may be used in repairs or taken into account in the claims settlement.

Your **insurer** will not pay a cash sum for audio/visual equipment you are claiming for under this section. Your **insurer** will settle a claim for audio/visual equipment by repairing it or replacing it with a similar piece of equipment. The most your **insurer** will pay is £300 for loss of or damage to in-car audio, television, DVD, phone, games-console, electronic navigation or radar detection equipment permanently fitted to **your car**. If the equipment is part of the car's original specification, fitted by the manufacturer/dealer from first registration, cover will be unlimited.

If **your car** is a total loss, your **insurer** will (if you and any other interested parties agree) replace it with a new car of the same make, model and specification as long as:

- You have owned **your car** since it was first registered as new; and
- within one year of it being registered as new, **your car** suffers damage where the cost of repair is estimated by your **insurer** to be more than 60% of the current list price (including taxes) of **your car** at the time of the damage; and
- **your car's** recorded mileage at the time of the loss is not more than 12,000 miles; and
- **your car** is not an import and was sourced and supplied as new in the United Kingdom; and
- the replacement car is available in the United Kingdom within 6 weeks from the time of the loss.

If a car of the same make, model and specification is not available, the most your **insurer** will pay is the **market value** of **your car** at the time of loss or damage.

If you are still paying for **your car** under a hire purchase or leasing agreement your **insurer** may at their option, and where appropriate, pay a claim for the total loss of **your car** to the hire purchase or leasing company.

If **your car** is a total loss, your **insurer** may put it in free and safe storage until your claim is settled. Your **insurer** will also be entitled to take possession of **your car** once they have settled your claim.

If you are paying by instalments and your **insurer** settles a total loss claim under this section all outstanding premium may be deducted from the claims settlement.

Except with the **insurer's** written consent, no admission, offer, promise, payment or indemnity shall be made by you or any person (or on behalf of any person) claiming indemnity under the policy.

The **insurer** shall be entitled to conduct the defence or settlement of any claim and to instruct the solicitors of their choice to act for you in any proceedings. In circumstances where it is considered appropriate your **insurer** will be entitled to admit liability on behalf of you or any person claiming indemnity under the policy. Such admissions may be made prior to or after the commencement of proceedings in relation to any event likely to give rise to a claim under the policy.

Your **insurer** will also pay the reasonable cost of protection and taking **your car** to the nearest suitable **insurer nominated repairer** or a place of storage after such damage and where appropriate returning it after repair to your address as shown in the schedule.

If the keys to **your car** or the lock transmitter are stolen your **insurer** will pay up to a maximum of £500, after deducting any **excess** under this section, towards the cost of replacing:

- the door locks and/or boot lock;
- ignition/steering lock;
- the lock transmitter and central locking interface;

providing it can be established that the identity of the garaging address of **your car** is known to any person in receipt of such keys or transmitters.

### **Costs you may be liable for**

- If your claim is accepted by your **insurer**, and any changes to your policy since it started are identified, you may be liable for any additional premium and associated fees.
- If your claim is settled on a total loss basis and you do not replace **your car** under this policy, you will be liable for your full annual premium, for which we/your **insurer** reserve the right to deduct from your claims settlement.
- If your claim is not accepted by your **insurer**, you may be liable to repay costs already incurred by your **insurer**. These may include, but are not limited to engineers fees, vehicle recovery charges, and vehicle storage charges.

# Section 3

  - any person using (but not driving) **your car**, with your permission, for social, domestic and pleasure purposes; or
  - any person getting into or getting out of **your car**.
- Your **insurer** will also cover the following:

Your **insurer** will not indemnify you where the insured vehicle specified in the current schedule, which forms part of the policy, has been disposed of or has become the subject of a total loss.

The **insurer** shall be entitled to conduct the defence or settlement of any claim and to instruct the solicitors of their choice to act for you in any proceedings. In circumstances where it is considered appropriate your **insurer** will be entitled to admit liability, for the costs covered under this policy, on behalf of you or any person claiming indemnity under the policy. Such admissions may be made prior to or after the commencement of proceedings in relation to any event likely to give rise to a claim under the policy.

Full cover applies while **your car** is being transported by air, sea or rail between any of these countries, including loading and unloading, subject to the limitations detailed above.

You must pay for the accommodation or travelling expenses yourself and submit receipts for the **insurer** to reimburse you. There will be no cover for newspapers, drinks, telephone calls and meals. This cover will not apply outside the territorial limits of the policy.

# General exceptions

## This policy does not cover the following:

1. Any injury, loss or damage occurring while **your car** is being:

This exclusion applies whether (or not) the event is on private land or the public road and regardless of whether it is authorised by the Police or an other relevant authority. Cover is also not provided for **your car** being used on any derestricted toll roads. Derestricted toll roads are roads the public can pay to have access to and where speed restrictions are temporarily or permanently suspended (including the Nurburgring at Nordschliefe).

However, **your car** is covered while with a member of the motor trade for the purpose of maintenance or repair not associated with the cover provided by this policy e.g. normal maintenance.

2. Any injury, loss or damage occurring while **your car** is being: driven or in the charge of anyone who does not have a valid driving licence, is disqualified from driving, has not held a driving licence, is prevented by law from holding one and who does not meet the terms and conditions of their driving licence as required by DVLA/DVANI rules and regulations and any relevant law.

The definition of terrorism shall follow the interpretation as set out in the Terrorism Act 2000 or subsequent amendments thereto or be any act deemed by the Government or a UK Court of Law to be an act of terrorism.
5. Any injury, loss or damage (except under section 3—liability to third parties) caused by or arising from:

8. Any decision or action of a court outside Great Britain, Northern Ireland, the Isle of Man or the Channel Islands, unless the decision is made or action is taken in a foreign court because **your car** was used in that country and that country is in the European Union or is mentioned by name in Section 5.
9. Any liability for death, injury, illness, or loss of or damage to property, arising directly or indirectly from pollution or contamination, unless it is directly caused by an event which is sudden, identifiable, unintended and unexpected.
  - The whole event must happen at a specific time and place during the period of insurance.
  - We will treat all pollution or contamination arising from one incident as having happened at the time of the incident.
  - This policy does not cover claims arising from pollution or contamination which happen as a result of deliberately releasing substances or as a result of leaks from **your car** caused by failure to properly maintain it.
  - This exception does not apply where your **insurer** needs to provide the minimum level of cover required by law.
10. Any loss or damage resulting from the impoundment or confiscation of **your car** by Customs and Excise, Police or any other Government Authority.
11. Any accident, injury, loss, damage or liability while **your car** is:
  - Towing a trailer which is unsafe or has an insecure load.

13. Loss or damage or liability which is the responsibility of the person driving or steering any vehicle being towed by **your car** or being towed by a vehicle being driven by you.
14. Legal liability when a trailer or broken-down vehicle is being towed for profit.

# General conditions

You must comply with the following conditions to have the full protection of your policy. If you do not comply with them, your **insurer** may at their option cancel the policy or refuse to deal with your claim or reduce the amount of any claim payment.

## 1. Making Claims

- In the event of any claim under this policy, you or any insured driver or your legal representative must phone our claims helpline with information as soon as is reasonably possible. If your claim is for glass damage only, phone your **insurer's** glassline. The telephone numbers are shown on your **certificate of motor insurance** and your schedule.
- You or any insured driver must immediately send to your **insurer** any writ, summons, letter, claim or other document, unanswered.
- You or any insured driver must immediately tell your **insurer** about any impending prosecution, inquest or fatal accident inquiry.
- You or any insured driver must not admit liability for or negotiate the settlement of any claim unless you have your **insurer's** written permission.
- You or any insured driver must give your **insurer** all the information and help requested including any documentary evidence to substantiate your claim. All information provided must be true and correct to the best of your knowledge.

### Your insurer can, for their own benefit:

- take over and conduct the defence or settlement of any claim; and
- take legal action over any claim.

These actions may be taken in your name or the name of any insured person.

Failure to notify any required changes and to take reasonable care to ensure that any information supplied is provided honestly, fully and correctly may result in your policy being cancelled or treated as if it never existed, or in your claim being rejected or not fully paid.

## 2. Care of your car

You or any insured driver must take all reasonable steps to:

- protect **your car** from loss or damage; and
- maintain **your car** in an efficient and roadworthy condition, we may examine **your car** at any time.
- ensure you have a valid Department for Transport Test Certificate (MOT) for **your car** if one is needed by law.

### 3. Right of recovery

If your **insurer** is required under law to pay a claim which they would not otherwise pay, they can recover the amount of the claim from you or the person responsible.

### 4. Other insurance

If any liability, loss or damage is covered by any other insurance, your **insurer** will only pay their share of the claim. This condition does not apply to section 4—personal accident—which your **insurer** will pay in full.

### 5. Keeping to this policy

Your **insurer** will only provide the cover described in this policy if:

- anyone claiming cover has kept to all its terms, conditions and **endorsements**; and
- the information you gave on your statement of insurance and declarations is correct and complete as far as you know.

### 6. Non-payment of premiums

If you are paying in instalments by Direct Debit, you must make sure your instalments are kept up to date. If an instalment is not received on or before the date it is due, we, on behalf of your **insurer**, will give you 7 days' notice of cancellation in writing. This notice will be sent to your last known address by first class post. The policy will end after the 7 days notice runs out. If a claim has arisen during the current period, the full annual premium will be required. If a total loss claim is settled under sections 1 or 2, all outstanding premium may be deducted from the claims settlement. If you cancel your policy, the instalments you have paid may not be sufficient to pay for the cover that has been provided and you will need to pay the balance that remains following cancellation.

### 7. Car sharing

The receipt of financial contributions as part of a car-sharing arrangement for social or similar purposes in respect of the carriage of passengers will not be regarded as the carriage of passengers for hire or reward (or the use of the car for hiring) provided that:

- a) The car is not constructed or adapted to carry more than seven passengers (excluding the driver).
- b) The passengers are not being carried in the course of a business of carrying passengers.
- c) The total contributions received for the journey do not involve an element of profit.

## 8. Fraud

You must not act in a fraudulent manner. If you or anyone acting for you:

- mislead us in any way, including who is the main user of the car, in order to get insurance from us, to obtain more favourable terms or reduce your premium; or
- make a claim under the policy knowing the claim to be false or fraudulently exaggerated in any respect; or
- submit a document in support of a policy or claim knowing the document to be forged or false in any respect; or
- make a claim in respect of any loss or damage caused by your wilful act or with your connivance.

Then:

- Your **insurer** shall not pay the claim.
- Your **insurer** shall not pay any other claim which has been or will be made under the policy.
- Your **insurer** may cancel or at their option declare the policy void.
- Your **insurer** shall be entitled to recover from you the amount of any claim already paid under the policy.
- Your **insurer** shall not make any return of premium.
- Your **insurer** may inform the Police of the circumstances.

## 9. Victim of Crime

The circumstances of any claim which arises as a result of you being a victim of crime must be reported to Police as soon as practicable. You must fully cooperate with all resulting Police enquiries and any resulting prosecution of offenders.

## 10. New Business Validation

Your **insurer** has given a discount on your policy dependent on the number of years no-claim discount you state you have. Proof of this no-claim discount must be provided, when you are asked to do so, in writing from your last **insurer** immediately prior to this policy or your policy may be subject to revised premium or terms, or may become invalid.

Your no-claim discount must have been earned in the United Kingdom within the previous two years on a private car policy. It is also a condition of your policy that you supply us with any information, such as copies of driving licences, a V5 vehicle registration document or recent utility bill that your **insurer** may ask to see to support the information you have supplied on your policy application.

This list is neither inclusive nor exhaustive of the information that your **insurer** may request from you to support the details you supplied to obtain this policy.

# Cancellation

This section contains important notes about yours, ours and your **insurer's** rights of cancellation. You must read these notes carefully. To cancel this product you should contact Hastings Direct customer service on 0844 800 3844.

## Your right to change your mind

You have the right to cancel this policy within 14 days of taking it out or renewing it (or within 14 days of receiving the policy documents, if later), without giving a reason. Unless you have made a claim under the policy, you will receive a refund of premium for the cover you have not used, subject to our cancellation fee of £25, our arrangement fee of £20, our call centre arrangement fee of £12.50 (if applicable) and any charge made by the **insurer**. In these circumstances, the effective date of cancellation will be the date that you serve notice of your wish to cancel.

## Cancellation Rights

We and your **insurer** both have the right to cancel your policy at any time by giving you 7 days notice in writing. We or your **insurer** will send a cancellation letter to the latest address we have for you and will set out the reason for cancellation in the letter. Neither we nor your **insurer** will ever cancel your policy without a valid reason for doing so. Valid reasons may include but are not limited to the following:

- Where we have been unable to collect a premium payment. In this case we will contact you in writing requesting payment by a specific date. If payment is not received by that date we will cancel your policy with immediate effect and notify you in writing that such cancellation has taken place.
- You refuse to allow us or your **insurer** reasonable access to **your car** in order to provide the services you have requested under this policy e.g. when you have a claim.
- Where you are required in accordance with the terms of this policy booklet to co-operate with us or your **insurer**, or send us or your **insurer** information or documentation and you fail to do so in a way that materially affects your **insurer's** ability to process your policy, a claim, or ability to defend their interests.
- If, by law or other reason, we are prevented from providing cover under this policy.
- Where there is a material failure by you to take care of **your car** as required by the paragraph headed 'Care of your car' in the General Conditions section of this policy booklet.

We may also cancel this policy without giving you notice and without refunding your premium if you:

- Do not keep to the terms and conditions of this policy in any significant way.
- Make or try to make a fraudulent claim under this policy or where we reasonably suspect fraud.
- Fail to cooperate with our or your **insurer's** representatives, use threatening or abusive behaviour or language, or intimidation or bullying of our or your **insurer's** staff or suppliers.

In these circumstances if you make a valid claim before the policy is cancelled, your **insurer** will pay it before your policy is cancelled.

You may also cancel the policy at any time after the initial 14 day period detailed above by returning the **certificate of motor insurance** to us. The refund of premium, as detailed below, will be calculated with effect from the date that the **certificate of motor insurance** is received at the offices of Hastings Direct or the date we receive the appropriate electronic surrender of your **certificate of motor insurance**.

#### **Following cancellation, your refund of premium will be calculated as follows:**

- If you serve notice of cancellation prior to commencement of cover, you will be entitled to a full refund of the premium you have paid, less our arrangement fee of £20, our call centre arrangement fee of £12.50 (if applicable).
- If you or we cancel the policy within the 14 days cooling off period, unless you have made a claim under the policy, you will receive a refund of premium for the cover you have not used, subject to our cancellation fee of £25, our arrangement fee of £20, our call centre arrangement fee of £12.50 (if applicable) and any charge made by the **insurer**.
- If you or we cancel the policy at any other time, we will refund the part of the premium you have not used subject to our cancellation fee of £45, our arrangement fee of £20, our call centre arrangement fee of £12.50 (if applicable) and any charge made by the **insurer**.

#### **Claims**

No refund of premium will be provided if you have made a claim, or if one has been made against you, during the period of insurance and if you are paying by instalments, you will have to pay the balance of the annual premium and our cancellation fee of £45 will still be payable.

#### **Instalments**

If you cancel your policy, the instalments you have paid may not be sufficient to pay for the cover that has been provided and you will need to pay the balance that remains following cancellation.

In addition to the above, if Hastings Direct or your **insurer** gives a discount on fees and/or premium at the inception of your policy, and the policy is subsequently cancelled we shall be entitled to reduce the amount of any refund to enable us to reclaim the unused portion of the discount.

If this motor insurance is cancelled by you or us, the cover under any optional additional products purchased with this policy will also be cancelled. Please see your optional additional product booklet for details of refunds on these products.

**If you do not pay for your insurance, you must show these details to the person who paid on your behalf.**

## Important guidelines when travelling abroad

Please see section 5 for details of where this policy covers you and full details of foreign use. You do not need a green card to travel in the EU and the countries specified in section 5 but you must first contact our customer service department to obtain agreement if you intend to use **your car** in excess of 90 days for any one trip or you intend to visit countries not specified. Unless this requirement is met only the minimum cover required by the relevant law will apply.

3. Get the name and address of the other driver, details of their motor **insurer** (including policy number) and information about the registration and ownership of the other vehicles involved. In some countries (such as Greece, Portugal, Italy and France) the identity of the **insurer** of the vehicle is displayed on the windscreen disc.
4. Call the claims helpline number shown on your **certificate of motor insurance** as soon as possible, particularly if anybody is injured.
