Claims service

We hope that you are never unfortunate enough to have an accident or loss, however we also know that these things happen and that the true value of your car insurance lies in the service you receive at this difficult time.

You should notify us of any accident or loss within 24 hours of the occurrence. By notifying us as soon as possible, your insurer can settle your claim quicker, and if your car is repairable, arrange for one of their nominated repairers to be notified as soon as possible. Furthermore quickly notifying us of the incident means that the details are fresh in your mind and can help your insurer lessen the cost involved in dealing with your claim, helping them to keep their prices as low as possible.

What to do if you have an accident — remember STOP:

- S** **Stop** at the scene of the accident, never admit blame or offer to pay for damage, and tell us if anyone else does.
- T** **Telephone** us on **0333 321 9800**, even if you do not want to make a claim.
- O** **Obtain** the name, address, telephone number and vehicle registration of the other drivers and give yours in return. Try and get details of any witnesses.
- P** **Police**. Call the Police if there has been an injury or if any driver does not stop at the scene or give their details.

If you become aware of any insurance related incident, you must tell us, even if you don't want to make a claim.

Need to make a claim?

0333 321 9800

If you need to report an incident from
outside of the UK, please call us on:

00 44 1424 738 585

Remember to save this number in your mobile phone (if you have one) so you will have it available if an incident occurs.

Our claims helpline is open 24 hours a day, 365 days a year and is a first response service with operators who can confirm whether your policy covers you for the incident. When you call us, we will ask you some questions about the circumstances of the incident, we will then transfer you to your insurer's claims department who will take the next steps.

If the only damage is to the windscreen or windows in your car, please call the glassline shown on your certificate of motor insurance and on your schedule. This line is open 24 hours a day 365 days a year.

What number to call in the event of a claim for Legal Expenses or for Breakdown:

Claims for Motor Legal Expenses:		Claims for Breakdown cover

Repair Service for an accident when using your insurer's nominated repairer:

Remember that by using your insurer's nominated repairer, you will benefit from a number of things, including a guarantee for your repairs, and authorisation and payment direct to the repairer. All you need to do is pay your excess.

You are of course permitted to use your own repairer, however you will not be entitled to the benefits shown in the table below and will need to submit repair estimates to your insurer for authorisation, which may delay the progress of your claim.

Repairs	If the damage to your car is covered under your policy and can be repaired, then your insurer will arrange for one of its nominated repairers to contact you.
Authorisation	You do not need to get any estimates and your repairs can begin as soon as your insurer has authorised them.
Delivery	When the work is complete, the repairer will contact you to arrange a convenient time to deliver your car back to you.
Payment	Your insurer will pay the bill. All you need to do is pay any policy excess to the repairer before the car is delivered back to you.

If your car is a total loss (a write off), your insurer will ask you to send in your original documents (for example V5C and MOT certificate). Remember to clear your car of personal belongings.

Points you need to know about the courtesy car service:

- The service is only available for the duration of your repairs, if you use one of your insurer's nominated repairers for repairs to your car following damage covered under Sections 1 and 2 of your policy.
- A courtesy car is not available if your car is stolen or is considered to be a total loss
- The courtesy car will usually be a Group A vehicle, such as a Ford Ka.

Points you need to know about the courtesy car service (continued)

- The courtesy car will be automatically insured by this policy, subject to underwriting terms and conditions, at no additional cost, and normal policy terms will apply.
- You will be responsible for the courtesy car, including any fines for parking, motor offences and fixed penalties and any congestion or toll charges incurred.

The courtesy car service is provided by the insurer's nominated repairer. You can find out who your insurer is by looking at your statement of insurance, your schedule or your certificate of motor insurance.

Remember, if you have purchased substitute vehicle cover as an optional additional product, you will be able to make a claim for a hire car in the event of your car being declared a total loss following an accident that was your fault, fire or attempted theft. Your statement of price will show if you have purchased this cover, and full details of the policy can be found in your optional additional products booklet.

Information about your contracts of insurance

You will enter into two separate contracts when you take out an insurance policy through us. The first contract is with us for arranging and administering your insurance policy, on your behalf, and we shall charge you arrangement and administration fees for providing our services. Our terms and conditions are set out in this document.

The second contract is with the insurer noted on your certificate of motor insurance and your policy schedule, for providing your insurance and they shall charge you a separate premium inclusive of insurance premium tax. Their terms and conditions are set out in this document and your statement of insurance, certificate of motor insurance and schedule.

The new business arrangement and administration fees and insurer premium will form the cost of the insurance. The amounts paid in respect of the cover you hold are found in your statement of price.

If you make any changes to your policy, additional costs may be incurred.

Please note that when we are arranging your insurance or making any adjustments to it, we are acting on your behalf as your agent. When dealing with claims for Advantage Insurance Company Limited we are acting as the agent for the insurer. All other claims will be dealt with by the insurer concerned.

While we're not covered by the FSCS because we're a broker, all the Insurers whose products we offer are covered by the FSCS. This means that if the Insurer cannot meet its liabilities, for example because it goes out of business, you may be entitled to compensation from the Financial Services Compensation Scheme. For car insurance, cover is for 100% of the claim without any upper limit. You can get more information from the Financial Services Compensation Scheme at www.fscs.org.uk or by calling 0207 741 4100.

Consumer Insurance (Disclosure and Representation) Act 2012

Under the Consumer Insurance (Disclosure and Representation) Act 2012, you have a duty to take reasonable care to answer all questions as fully and as accurately as possible. If you volunteer information which is over and above that requested, you must do so honestly and carefully.

You should check your statement of insurance to ensure that all facts given are correct. It is an offence to make any false statement or withhold any information for the purpose of obtaining a certificate of motor insurance. Failure to answer all questions fully and accurately could invalidate your insurance cover and could result in all or part of a claim not being paid.

Who can speak to us about your policy

	Arrears Payment	Changes to your policy	Renewal	Cancellation
Policyholder	Yes	Yes	Yes	Yes
Spouse/partner/ nominated person*	Yes	Yes	Yes	No
Direct Debit Payers	Yes	Yes	Yes	No

*At the request of many of our customers, and to make managing your insurance more convenient for you, we're happy to deal with your spouse or partner, who calls us on your behalf, provided they're named on the policy, regarding payment, changes or renewals. If you would like to change this arrangement, or nominate someone else (such as a named person on the policy, friend or other family member), or would prefer us to deal only with you, please email or call us to let us know.

Keeping your policy up to date

The terms of your policy and premium are based on the information you have given us. If any of this information changes you should tell us by calling our customer service department. Below are some examples of what you should tell us. Please note these lists are not exhaustive and you should contact us if you are unsure about whether you need to inform us of a change. Any changes to your policy will be subject to your insurer's agreement and may not be acceptable, therefore please contact us for guidance on changes you wish to make. If a change to your policy is acceptable it may result in revised terms and/or a change in the premium. Any changes to your policy will also be subjected to our administration fee, please see page 11 for details.

Please tell us immediately if:

- You or any insured drivers are involved in an accident, no matter how trivial and regardless of blame; or
- You change your address or you or any insured drivers change occupations; or
- Your or any insured driver's driving licence is revoked either temporarily or permanently, or the status of the driving licence has changed, e.g. if you or any insured driver has passed their driving test.

Please tell us about the following beforehand:

- If you intend to change your car.
- If you intend to change what you use your vehicle for.
- If you want to include other drivers.
- If you intend to alter your car from the manufacturer's standard specification. Alterations include optional extras and any changes to bodywork; these include but are not limited to:
 - Changes to the bodywork, such as spoilers or body kits.
 - Changes to suspension or brakes.
 - Cosmetic changes such as alloy wheels.
 - Changes affecting performance such as changes to the engine management system or exhaust system.
 - Changes to the audio/entertainment system.

Please be aware that this is not a full list of all possible changes. All changes made from the manufacturer's standard specification must be disclosed. This policy does not cover any non standard parts (modifications). Manufacturer's optional extras are only covered if they have been declared and your insurer has agreed to arrange cover for them.

If you make a claim for loss or damage to your car, your insurer will only pay the cost of replacing parts needed for your car to meet the manufacturer's standard specification. Failure to notify us of a modification may result in your policy being cancelled or treated as if it never existed, or in your claim being rejected or not fully paid.

Please tell us about the following when you renew your policy:

Should there have been any changes to the insurance details of you or any other person named as a driver under this policy. Such changes to insurance details include, but are not limited to:

- Any information listed on the previous page, that should be advised immediately or beforehand.
- Any accidents, claims, losses or damages to any vehicle, whether or not a claim was made and regardless of blame. This includes all types of claims, damages or accidents such as fire, theft or glass damage (windscreen or window).
- Any prosecutions or motoring convictions that you or any insured drivers have received during the year, or any pending prosecutions, motoring convictions or fixed penalty notices or licence endorsements.
- Any medical or physical condition or disability, for you or any insured drivers, that is notifiable to the Driver and Vehicle Licensing Agency (DVLA)/Driver & Vehicle Agency Northern Ireland (DVANI) which has not been notified to and accepted by the DVLA/DVANI.
- Any non-motoring convictions for all drivers that are not considered spent. A spent conviction is one which, under the terms of the Rehabilitation of Offenders Act 1974, can be effectively ignored after a specified amount of time. If however you have received a prison sentence of more than four years, your conviction will never become spent.

Failure to notify any required changes and to take reasonable care to ensure that any information supplied is provided honestly, fully and correctly may result in your policy being cancelled or treated as if it never existed, or in your claim being rejected or not fully paid.

Renewal terms will be offered based on the information you provided as shown on the statement of renewal. Please check the accuracy of this information and if any details are incorrect you should tell us by calling our renewals team on **0333 321 9801** (from mobile or non BT Lines).

Introducer arrangements

A third party may have introduced you to us and for this the introducer may be paid a fee by us.

Renewing your policy

At least 21 days before your policy end date we'll send you a notice of renewal letting you know that your policy is due to expire. In most cases, this notice will include an offer to renew for another year. To help you make an informed decision, any offer made will include any changes to the policy terms and an offer price.

In a small number of cases, your insurer may not make you an offer to renew your policy. If this happens, we will search our panel of insurers to try and find an alternative insurer for you. If we're able to find an alternative insurer, we'll include their offer in your notice of renewal. Likewise, we'll tell you if we're unable to find you an insurer.

If you're intending to accept a renewal offer, you must take reasonable care to ensure that your information contained in the policy is correct. This includes, but is not limited to, informing us of any accidents, whether or not a claim was made, or any prosecutions or motoring convictions. Failure to notify us of any required changes may result in your policy being cancelled or treated as if it never existed, or in your claim being rejected or not fully paid.

If anything is not correct, or you need to inform us of any changes to your policy, please contact our customer services team on **0333 321 9801** (from mobile or non BT Lines).

Each renewal of the policy represents a new contract of insurance. You will enter into a new contract of insurance with your insurer commencing on the cover start date shown on your renewal schedule.

Automatic renewal

We automatically renew most policies. This means that, unless you tell us otherwise, your new insurance cover will start on your renewal date. If we intend to automatically renew your policy we'll tell you on your notice of renewal.

In a small number of cases, we won't automatically renew your policy. We'll tell you on your notice of renewal if this is the case. Some of the reasons why we may not automatically renew your policy include:

- 1) You have previously told us you don't want to automatically renew your policy.
- 2) Our panel of insurers won't insure you for another year.
- 3) You've an outstanding debt on your current policy.

If you don't want to renew your policy, or wish to opt out of the automatic renewal process, please let us know before your renewal date. You can contact our customer services team on **0333 321 9801** (from mobile or non BT Lines).

After renewal

You have a right to cancel your policy at any time. For full details of your right to cancel please see pages 43–44.

If you pay for your policy by instalments, we'll continue to collect your premium on a monthly basis, using the same accounts details you gave to us the previous policy year.

If you pay for your policy by credit/debit card, we'll collect the renewal premium on the renewal date from the last card details you gave us.

Your privacy and security

Your privacy is important to us and we go to great lengths to protect it. Our privacy notice will tell you everything you need to know about the personal data we, our Insurers and ancillary product providers hold about you, in order to be able to provide you with a quote or insurance policy. Financial Services Compensation Scheme (FSCS)

While we're not covered by the FSCS because we're a broker, all the Insurers whose products we offer are covered by the FSCS. This means that if the Insurer cannot meet its liabilities, for example because it goes out of business, you may be entitled to compensation from the Financial Services Compensation Scheme. For car insurance, cover is for 100% of the claim without any upper limit. You can get more information from the Financial Services Compensation Scheme at www.fscs.org.uk or by calling 0207 741 4100.

Section 1

Damage to your car (except that caused by fire or theft)

What is covered

- Loss of or damage to **your car** (and its accessories while in or on **your car** or in your private garage).
- Your **insurer** will pay up to £300 for loss of or damage to in-car audio, television, DVD, phone, games-console, electronic navigation or radar detection equipment permanently fitted to **your car**. If the equipment is part of the car's original specification, fitted by the manufacturer/dealer from first registration, cover will be unlimited.

What is not covered

- The **excess** shown for this section on your schedule.
- Any young and inexperienced driver **excess** as explained below.
- Loss or damage more specifically covered under sections 2 or 8.
- Loss of use of **your car** (including the cost of hiring another vehicle).
- Wear and tear.
- Failures, breakdowns or breakage of mechanical, electrical, electronic or computer equipment.
- Damage to your tyres caused by braking, punctures, cuts or bursts.
- **Your car** losing **market value** after or because of repairs.
- Any other loss of value.
- Loss of or damage to **your car** where possession of it is gained by deception by someone who claims to be a buyer or agent.
- **Your car** being repossessed by its rightful owner or having to pay compensation to the owner.
- Loss or damage if **your car** is being driven by anyone who is not keeping to the terms of their driving licence.
- Any amount greater than the manufacturer's last list price for replacing any part or accessory lost or damaged.
- Repairs or replacements which improve the condition of **your car**.
- Loss of or damage to **your car** as a result of a deliberate act by anybody insured by the policy.
- **Your car** being confiscated or destroyed by or under order of any government or public or local authority.
- Loss of or damage to **your car** caused by a member of your immediate family, or a person living in your home taking **your car** without your permission, unless you report the person to the Police for taking **your car** without your permission and assist the Police in a prosecution.
- Costs of importing parts or accessories or storage costs caused by delays, where the parts or accessories are not available from current stock in the UK.

- Damage to **your car** if you or any person entitled to drive as specified by your current **certificate of motor insurance** is convicted of an offence involving drink or drugs, or was driving when under the influence of drink or drugs, when the accident happened.
- Loss, damage or accidental injury, arising whilst **your car** is being used in any rallies.
- Loss or damage to **your car** caused by an inappropriate type or grade of fuel being used.
- This policy does not cover any non standard parts (modifications). Manufacturer's optional extras are only covered if they have been declared and your **insurer** has agreed to arrange cover for them. If you make a claim for loss or damage to **your car**, your **insurer** will only pay the cost of replacing parts needed for **your car** to meet the manufacturer's standard specification. Failure to notify us of a modification may result in your policy being cancelled or treated as if it never existed, or in your claim being rejected or not fully paid.
- Loss of or damage to **your car** as a result of malicious damage/vandalism, where the Police refuse to issue a crime reference number, however the issuing of a crime reference number will not guarantee settlement of a claim.

Young and inexperienced driver excess

You will have to pay the first part of every claim for loss of or damage to **your car**. For each claim you will have to pay the following:

- The first £295 when **your car** is being driven by or is in the charge of any person who is under 21.
- The first £195 when **your car** is being driven by or is in the charge of:
 - any person aged 21 to 24; or
 - any person aged 25 or over who holds a provisional licence or who has not held a full UK or EU/EEC driving licence for at least one year.

In either case the amount shown above will apply on top of any other **excess** shown on your schedule. You do not have to pay any **excess** when **your car** is with a member of the motor trade for servicing or repairs not associated with the cover provided by this policy e.g. normal maintenance.

How your claims are settled

For loss of or damage to **your car** your **insurer** will either:

- pay for any necessary repairs;
- replace **your car**; or
- pay the **market value** of **your car** immediately before the loss (this is not necessarily the value you declared when the insurance was taken out).

Recycled parts or non original parts and equipment may be used in repairs or taken into account in the claims settlement.

If **your car** is a total loss, your **insurer** will (if you and any other interested parties agree) replace it with a new car of the same make, model and specification as long as:

- you have owned **your car** since it was first registered as new; and
- within one year of it being registered as new, **your car** suffers damage where the cost of repair is estimated by your **insurer** to be more than 60% of the current list price (including taxes) of **your car** at the time of the damage; and
- **your car's** recorded mileage at the time of the loss is not more than 12,000 miles; and
- **your car** is not an import and was sourced and supplied as new in the United Kingdom; and
- the replacement car is available in the United Kingdom within 6 weeks from the time of the loss.

If a car of the same make, model and specification is not available, the most your **insurer** will pay is the **market value** of **your car** at the time of loss or damage.

If you are still paying for **your car** under a hire purchase or leasing agreement your **insurer**, may at their option, and where appropriate, pay a claim for the total loss of **your car** to the hire purchase or leasing company.

If **your car** is a total loss, your **insurer** may put it in free and safe storage until your claim is settled. Your **insurer** will also be entitled to take possession of **your car** once they have settled your claim.

If you are paying by instalments and your **insurer** settles a total loss claim under this section all outstanding premium may be deducted from the claims settlement.

Except with the **insurer's** written consent, no admission, offer, promise, payment or indemnity shall be made by you or any person (or on behalf of any person) claiming indemnity under the policy.

Your **insurer** shall be entitled to conduct the defence or settlement of any claim and to instruct the solicitors of their choice to act for you in any proceedings. In circumstances where it is considered appropriate your **insurer** will be entitled to admit liability, for the costs covered under this policy, on behalf of you or any person claiming indemnity under the policy. Such admissions may be made prior to or after the commencement of proceedings in relation to any event likely to give rise to a claim under the policy.

Your **insurer** will also pay the reasonable cost of protection and taking **your car** to the nearest suitable **insurer nominated repairer** or a place of storage after such damage and where appropriate returning it after repair to your address as shown in the schedule.

Costs you may be liable for

- If your claim is accepted by your **insurer**, and any changes to your policy since it started are identified, you may be liable for any additional premium and associated fees.
- If your claim is settled on a total loss basis and you do not replace **your car** under this policy, you will be liable for your full annual premium, for which we/your **insurer** reserve the right to deduct from your claims settlement.
- If your claim is not accepted by your **insurer**, you may be liable to repay costs already incurred by your **insurer**. These may include, but are not limited to engineers fees, vehicle recovery charges, and vehicle storage charges.

- Your **insurer** will pay up to £300 for loss of or damage to in-car audio, television, DVD, phone, games-console, electronic navigation or radar detection equipment permanently fitted to **your car**. If the equipment is part of the car's original specification, fitted by the manufacturer/dealer from first registration, cover will be unlimited.

What is not covered

- The excess shown for this section on your schedule.
- Loss of use of **your car** (including the cost of hiring another vehicle).
- Wear and tear.
- Failures, breakdowns or breakage of mechanical, electrical, electronic or computer equipment.
- Damage to your tyres caused by braking, punctures, cuts or bursts.
- **Your car** losing **market value** after or because of repairs.
- Any other loss of value.
- Loss of or damage to **your car** where possession of it is gained by deception by someone who claims to be a buyer or agent.
- **Your car** being repossessed by its rightful owner or having to pay compensation to the owner.
- Any amount greater than the manufacturer's last list price for replacing any accessory or part lost or damaged.

- Costs of importing parts or accessories or storage costs caused by delays, where the parts or accessories are not available from current stock in the UK.

- Loss, damage or accidental injury, arising whilst **your car** is being used in any rallies.
- This policy does not cover any non standard parts (modifications). Manufacturer's optional extras are only covered if they have been declared and your **insurer** has agreed to arrange cover for them. If you make a claim for loss or damage to **your car**, your **insurer** will only pay the cost of replacing parts needed for **your car** to meet the manufacturer's standard **specification**. Failure to notify us of a modification may result in your policy being cancelled or treated as if it never existed, or in your claim being rejected or not fully paid.
- Loss of or damage to **your car** as a result of an alleged theft or alleged arson, where the Police refuse to issue a crime reference number, however the issuing of a crime reference number will not guarantee settlement of a claim.

How your claims are settled

For loss of or damage to **your car** your **insurer** will either:

- pay for any necessary repairs;
- replace **your car**; or
- pay the **market value** of **your car** immediately before the loss (this is not necessarily the value you declared when the insurance was taken out).

Recycled parts or non original parts and equipment may be used in repairs or taken into account in the claims settlement.

Your **insurer** will not pay a cash sum for audio/visual equipment you are claiming for under this section. Your **insurer** will settle a claim for audio/visual equipment by repairing it or replacing it with a similar piece of equipment. The most your **insurer** will pay is £300 for loss of or damage to in-car audio, television, DVD, phone, games-console, electronic navigation or radar detection equipment permanently fitted to **your car**. If the equipment is part of the car's original specification, fitted by the manufacturer/dealer from first registration, cover will be unlimited.

If **your car** is a total loss, your **insurer** will (if you and any other interested parties agree) replace it with a new car of the same make, model and specification as long as:

- You have owned **your car** since it was first registered as new; and
- within one year of it being registered as new, **your car** suffers damage where the cost of repair is estimated by your **insurer** to be more than 60% of the current list price (including taxes) of **your car** at the time of the damage; and
- **your car's** recorded mileage at the time of the loss is not more than 12,000 miles; and
- **your car** is not an import and was sourced and supplied as new in the United Kingdom; and
- the replacement car is available in the United Kingdom within 6 weeks from the time of the loss.

If a car of the same make, model and specification is not available, the most your **insurer** will pay is the **market value** of **your car** at the time of loss or damage.

If you are still paying for **your car** under a hire purchase or leasing agreement your **insurer** may at their option, and where appropriate, pay a claim for the total loss of **your car** to the hire purchase or leasing company.

If **your car** is a total loss, your **insurer** may put it in free and safe storage until your claim is settled. Your **insurer** will also be entitled to take possession of **your car** once they have settled your claim.

If you are paying by instalments and your **insurer** settles a total loss claim under this section all outstanding premium may be deducted from the claims settlement.

Except with the **insurer's** written consent, no admission, offer, promise, payment or indemnity shall be made by you or any person (or on behalf of any person) claiming indemnity under the policy.

The **insurer** shall be entitled to conduct the defence or settlement of any claim and to instruct the solicitors of their choice to act for you in any proceedings. In circumstances where it is considered appropriate your **insurer** will be entitled to admit liability on behalf of you or any person claiming indemnity under the policy. Such admissions may be made prior to or after the commencement of proceedings in relation to any event likely to give rise to a claim under the policy.

Your **insurer** will also pay the reasonable cost of protection and taking **your car** to the nearest suitable **insurer nominated repairer** or a place of storage after such damage and where appropriate returning it after repair to your address as shown in the schedule.

If the keys to **your car** or the lock transmitter are stolen your **insurer** will pay up to a maximum of £500, after deducting any **excess** under this section, towards the cost of replacing:

- the door locks and/or boot lock;
- ignition/steering lock;
- the lock transmitter and central locking interface;

providing it can be established that the identity of the garaging address of **your car** is known to any person in receipt of such keys or transmitters.

Costs you may be liable for

- If your claim is accepted by your **insurer**, and any changes to your policy since it started are identified, you may be liable for any additional premium and associated fees.
- If your claim is settled on a total loss basis and you do not replace **your car** under this policy, you will be liable for your full annual premium, for which we/your **insurer** reserve the right to deduct from your claims settlement.
- If your claim is not accepted by your **insurer**, you may be liable to repay costs already incurred by your **insurer**. These may include, but are not limited to engineers fees, vehicle recovery charges, and vehicle storage charges.

Child seat cover

What is covered

- If you have a child's car seat or booster seat fitted in **your car** and **your car** is involved in an accident, fire, theft or attempted theft, provided you are making a claim under sections 1 or 2 of this policy, your **insurer** will pay for the cost of a replacement of a similar model and standard even if there is no apparent damage, subject to the provision of the purchase receipt for the original item. Unless stolen, the child's car seat or booster seat should be made available for inspection.

Section 11

Overnight accommodation or onward transport following a claim

If you are unable to continue your journey as a result of loss of or damage to **your car** under sections 1 & 2 of this policy, the **insurer** will pay you up to £50 per person (£250 maximum for all occupants of the car) in respect of one of the following:

- travelling expenses for the occupants **your car** towards reaching your destination; or
- one nights hotel accommodation on the day of the accident or loss for the occupants of **your car** where the loss of use necessitates an unplanned overnight stop.

You must pay for the accommodation or travelling expenses yourself and submit receipts for the **insurer** to reimburse you. There will be no cover for newspapers, drinks, telephone calls and meals. This cover will not apply outside the territorial limits of the policy.

General exceptions

This policy does not cover the following:

1. Any injury, loss or damage occurring while **your car** is being:
 - driven by or is in the charge of any person not shown on your **certificate of motor insurance**; or
 - used for any purpose not shown on your **certificate of motor insurance**; or
 - used on any race track or circuit other than accidents to which the Road Traffic Act applies.
 - involved in an incident as a result of a deliberate act by anybody insured by the policy, except to the extent that we are obliged by law to provide insurance under the Road Traffic Act
 - used on a prepared course or for any competition, rally, trial, track day, performance test, race or speed trial. This exclusion applies whether (or not) the event is on private land or the public road and regardless of whether it is authorised by the Police or an other relevant authority. Cover is also not provided for **your car** being used on any derestricted toll roads. Derestricted toll roads are roads the public can pay to have access to and where speed restrictions are temporarily or permanently suspended (including the Nurburgring at Nordschliefe).

However, **your car** is covered while with a member of the motor trade for the purpose of maintenance or repair not associated with the cover provided by this policy e.g. normal maintenance.

2. Any injury, loss or damage occurring while **your car** is being: driven or in the charge of anyone who does not have a valid driving licence, is disqualified from driving, has not held a driving licence, is prevented by law from holding one and who does not meet the terms and conditions of their driving licence as required by DVLA/DVANI rules and regulations and any relevant law.
3. Liability you have under any agreement, unless you would have had the liability if the agreement did not exist.
4. Loss, damage, injury or legal liability directly or indirectly caused by, resulting from or in connection with invasion, war, revolution or any act of terrorism regardless of any other cause or event contributing concurrently or in any other sequence to the loss, except where such liability is required to be covered by the Road Traffic Act. The definition of terrorism shall follow the interpretation as set out in the Terrorism Act 2000 or subsequent amendments thereto or be any act deemed by the Government or a UK Court of Law to be an act of terrorism.
5. Any injury, loss or damage (except under section 3—liability to third parties) caused by or arising from:
 - earthquake; or
 - riot or civil disturbance outside Great Britain, the Isle of Man or the Channel Islands.

6. Loss, damage, injury or legal liability caused directly or indirectly by:
 - pressure waves caused by aircraft and other flying objects; or
 - ionising radiation or radioactive contamination from any nuclear fuel or from any nuclear waste arising from burning nuclear fuel; or
 - the radioactive, poisonous, explosive or other dangerous properties of any explosive nuclear equipment or part of that equipment.
7. Any accident, injury, loss, damage or liability arising while **your car** is in a place used for the take off, landing, parking or movement of aircraft, including the associated service roads, refuelling areas and ground equipment parking areas.
8. Any decision or action of a court outside Great Britain, Northern Ireland, the Isle of Man or the Channel Islands, unless the decision is made or action is taken in a foreign court because **your car** was used in that country and that country is in the European Union or is mentioned by name in Section 5.
9. Any liability for death, injury, illness, or loss of or damage to property, arising directly or indirectly from pollution or contamination, unless it is directly caused by an event which is sudden, identifiable, unintended and unexpected.
 - The whole event must happen at a specific time and place during the period of insurance.
 - We will treat all pollution or contamination arising from one incident as having happened at the time of the incident.
 - This policy does not cover claims arising from pollution or contamination which happen as a result of deliberately releasing substances or as a result of leaks from **your car** caused by failure to properly maintain it.
 - This exception does not apply where your **insurer** needs to provide the minimum level of cover required by law.
10. Any loss or damage resulting from the impoundment or confiscation of **your car** by Customs and Excise, Police or any other Government Authority.
11. Any accident, injury, loss, damage or liability while **your car** is:
 - Towing a trailer which is unsafe or has an insecure load.
 - Being driven with a load or a number of passengers which is unsafe or greater than the manufacturer's specifications.
12. Any accident, injury, loss, damage or liability while **your car** is outside the territorial limits unless allowed under section 5.
13. Loss or damage or liability which is the responsibility of the person driving or steering any vehicle being towed by **your car** or being towed by a vehicle being driven by you.
14. Legal liability when a trailer or broken-down vehicle is being towed for profit.

General conditions

You must comply with the following conditions to have the full protection of your policy. If you do not comply with them, your **insurer** may at their option cancel the policy or refuse to deal with your claim or reduce the amount of any claim payment.

1. Making Claims

- In the event of any claim under this policy, you or any insured driver or your legal representative must phone our claims helpline with information as soon as is reasonably possible. If your claim is for glass damage only, phone your **insurer's** glassline. The telephone numbers are shown on your **certificate of motor insurance** and your schedule.
- You or any insured driver must immediately send to your **insurer** any writ, summons, letter, claim or other document, unanswered.
- You or any insured driver must immediately tell your **insurer** about any impending prosecution, inquest or fatal accident inquiry.
- You or any insured driver must not admit liability for or negotiate the settlement of any claim unless you have your **insurer's** written permission.
- You or any insured driver must give your **insurer** all the information and help requested including any documentary evidence to substantiate your claim. All information provided must be true and correct to the best of your knowledge.

Your insurer can, for their own benefit:

- take over and conduct the defence or settlement of any claim; and
- take legal action over any claim.

These actions may be taken in your name or the name of any insured person.

Failure to notify any required changes and to take reasonable care to ensure that any information supplied is provided honestly, fully and correctly may result in your policy being cancelled or treated as if it never existed, or in your claim being rejected or not fully paid.

2. Care of your car

You or any insured driver must take all reasonable steps to:

- protect **your car** from loss or damage; and
- maintain **your car** in an efficient and roadworthy condition, we may examine **your car** at any time.
- ensure you have a valid Department for Transport Test Certificate (MOT) for **your car** if one is needed by law.

3. Right of recovery

If your **insurer** is required under law to pay a claim which they would not otherwise pay, they can recover the amount of the claim from you or the person responsible.

4. Other insurance

If any liability, loss or damage is covered by any other insurance, your **insurer** will only pay their share of the claim. This condition does not apply to section 4—personal accident—which your **insurer** will pay in full.

5. Keeping to this policy

Your **insurer** will only provide the cover described in this policy if:

- anyone claiming cover has kept to all its terms, conditions and **endorsements**; and
- the information you gave on your statement of insurance and declarations is correct and complete as far as you know.

6. Non-payment of premiums

If you are paying in instalments by Direct Debit, you must make sure your instalments are kept up to date. If an instalment is not received on or before the date it is due, we, on behalf of your **insurer**, will give you 7 days' notice of cancellation in writing. This notice will be sent to your last known address by first class post. The policy will end after the 7 days notice runs out. If a claim has arisen during the current period, the full annual premium will be required. If a total loss claim is settled under sections 1 or 2, all outstanding premium may be deducted from the claims settlement. If you cancel your policy, the instalments you have paid may not be sufficient to pay for the cover that has been provided and you will need to pay the balance that remains following cancellation.

7. Car sharing

The receipt of financial contributions as part of a car-sharing arrangement for social or similar purposes in respect of the carriage of passengers will not be regarded as the carriage of passengers for hire or reward (or the use of the car for hiring) provided that:

- a) The car is not constructed or adapted to carry more than seven passengers (excluding the driver).
- b) The passengers are not being carried in the course of a business of carrying passengers.
- c) The total contributions received for the journey do not involve an element of profit.

8. Fraud

You must not act in a fraudulent manner. If you or anyone acting for you:

- mislead us in any way, including who is the main user of the car, in order to get insurance from us, to obtain more favourable terms or reduce your premium; or
- make a claim under the policy knowing the claim to be false or fraudulently exaggerated in any respect; or
- submit a document in support of a policy or claim knowing the document to be forged or false in any respect; or
- make a claim in respect of any loss or damage caused by your wilful act or with your connivance.

Then:

- Your **insurer** shall not pay the claim.
- Your **insurer** shall not pay any other claim which has been or will be made under the policy.
- Your **insurer** may cancel or at their option declare the policy void.
- Your **insurer** shall be entitled to recover from you the amount of any claim already paid under the policy.
- Your **insurer** shall not make any return of premium.
- Your **insurer** may inform the Police of the circumstances.

9. Victim of Crime

The circumstances of any claim which arises as a result of you being a victim of crime must be reported to Police as soon as practicable. You must fully cooperate with all resulting Police enquiries and any resulting prosecution of offenders.

10. New Business Validation

Your **insurer** has given a discount on your policy dependent on the number of years no-claim discount you state you have. Proof of this no-claim discount must be provided, when you are asked to do so, in writing from your last **insurer** immediately prior to this policy or your policy may be subject to revised premium or terms, or may become invalid.

Your no-claim discount must have been earned in the United Kingdom within the previous two years on a private car policy. It is also a condition of your policy that you supply us with any information, such as copies of driving licences, a V5 vehicle registration document or recent utility bill that your **insurer** may ask to see to support the information you have supplied on your policy application.

This list is neither inclusive nor exhaustive of the information that your **insurer** may request from you to support the details you supplied to obtain this policy.

Cancellation

This section contains important notes about yours, ours and your **insurer's** rights of cancellation. You must read these notes carefully. To cancel this product you should contact Hastings Direct customer service on **0333 321 9801** (from mobile or non BT Lines).

Your right to change your mind

You have the right to cancel this policy within 14 days of taking it out or renewing it (or within 14 days of receiving the policy documents, if later), without giving a reason. Unless you have made a claim under the policy, you will receive a refund of premium for the cover you have not used, subject to our cancellation fee of £25, our arrangement fee of £20, our call centre arrangement fee of £12.50 (if applicable) and any charge made by the **insurer**. In these circumstances, the effective date of cancellation will be the date that you serve notice of your wish to cancel.

Cancellation Rights

We and your **insurer** both have the right to cancel your policy at any time by giving you 7 days notice in writing. We or your **insurer** will send a cancellation letter to the latest address we have for you and will set out the reason for cancellation in the letter. Neither we nor your **insurer** will ever cancel your policy without a valid reason for doing so. Valid reasons may include but are not limited to the following:

- Where we have been unable to collect a premium payment. In this case we will contact you in writing requesting payment by a specific date. If payment is not received by that date we will cancel your policy with immediate effect and notify you in writing that such cancellation has taken place.
- You refuse to allow us or your **insurer** reasonable access to **your car** in order to provide the services you have requested under this policy e.g. when you have a claim.
- Where you are required in accordance with the terms of this policy booklet to co-operate with us or your **insurer**, or send us or your **insurer** information or documentation and you fail to do so in a way that materially affects your **insurer's** ability to process your policy, a claim, or ability to defend their interests.
- If, by law or other reason, we are prevented from providing cover under this policy.
- Where there is a material failure by you to take care of **your car** as required by the paragraph headed 'Care of your car' in the General Conditions section of this policy booklet.

We may also cancel this policy without giving you notice and without refunding your premium if you:

- Do not keep to the terms and conditions of this policy in any significant way.
- Make or try to make a fraudulent claim under this policy or where we reasonably suspect fraud.
- Fail to cooperate with our or your **insurer's** representatives, use threatening or abusive behaviour or language, or intimidation or bullying of our or your **insurer's** staff or suppliers.

In these circumstances if you make a valid claim before the policy is cancelled, your **insurer** will pay it before your policy is cancelled.

You may also cancel the policy at any time after the initial 14 day period detailed above by returning the **certificate of motor insurance** to us. The refund of premium, as detailed below, will be calculated with effect from the date that the **certificate of motor insurance** is received at the offices of Hastings Direct or the date we receive the appropriate electronic surrender of your **certificate of motor insurance**.

Following cancellation, your refund of premium will be calculated as follows:

- If you serve notice of cancellation prior to commencement of cover, you will be entitled to a full refund of the premium you have paid, less our arrangement fee of £20, our call centre arrangement fee of £12.50 (if applicable).
- If you or we cancel the policy within the 14 days cooling off period, unless you have made a claim under the policy, you will receive a refund of premium for the cover you have not used, subject to our cancellation fee of £25, our arrangement fee of £20, our call centre arrangement fee of £12.50 (if applicable) and any charge made by the **insurer**.
- If you or we cancel the policy at any other time, we will refund the part of the premium you have not used subject to our cancellation fee of £45, our arrangement fee of £20, our call centre arrangement fee of £12.50 (if applicable) and any charge made by the **insurer**.

Claims

No refund of premium will be provided if you have made a claim, or if one has been made against you, during the period of insurance and if you are paying by instalments, you will have to pay the balance of the annual premium and our cancellation fee of £45 will still be payable.

Instalments

If you cancel your policy, the instalments you have paid may not be sufficient to pay for the cover that has been provided and you will need to pay the balance that remains following cancellation.

In addition to the above, if Hastings Direct or your **insurer** gives a discount on fees and/or premium at the inception of your policy, and the policy is subsequently cancelled we shall be entitled to reduce the amount of any refund to enable us to reclaim the unused portion of the discount.

If this motor insurance is cancelled by you or us, the cover under any optional additional products purchased with this policy will also be cancelled. Please see your optional additional product booklet for details of refunds on these products.

If you do not pay for your insurance, you must show these details to the person who paid on your behalf.

33 Limited mileage

Your premium reflects the total annual mileage you have declared as shown on your statement of insurance for this insurance. If you exceed this, within a 12 month period, you will be responsible for the first £500 of any claim(s) under sections 1 and 2 of this policy. This is in addition to any other **excess(es)** applicable.

38 Uninsured driver promise

In the event that you are involved in an accident that is not deemed to be your fault and the driver of the vehicle that hits you is not insured, we will not prejudice your no-claim discount in any way and you will not have to pay any **excess**. This is subject to the following conditions being met:

- you providing us with the vehicle make, model and registration of the third party car that caused the damage to **your car** and
- where possible, the other drivers name and address.

1. The **excess** is paid.
2. You report the incident to the Police and provide us with your crime reference number.

Malicious damage is specifically excluded to **your car** as a result of a deliberate act by anybody insured by the policy. Your no-claim discount will be affected until such time as you provide us with your crime reference number.

Travelling abroad

Important guidelines when travelling abroad

Please see section 5 for details of where this policy covers you and full details of foreign use. If court proceedings are issued or a **conflict of interest** arises, and you wish to nominate a legal representative to act for you, you may do so. Where you have elected to use a legal representative of your own choice you will be responsible for any **advisers’ costs** in excess of our standard **advisers’ costs**. If the parties cannot agree on their choice of arbitrator the Law Society may be asked to make a nomination.

The arbitration shall be binding and carried out in accordance with the Arbitration Act.

The costs of the arbitration shall be at the discretion of the arbitrator.

3. Prospects of success

At any time we may, but only when supported by independent legal advice, form the view that you do not have a more than 50% chance of winning the case and achieving a positive outcome. If so, we may decline support or any further support. Examples of a positive outcome are:

- a) Being able to recover the amount of money at stake
- b) Being able to enforce a judgement
- c) Being able to achieve an outcome which best serves your interests

You will be responsible for returning the hire vehicle and collecting your repaired **vehicle**. You must meet the conditions of the hire company to be able to hire a vehicle.

Emergency Driver

As well as the benefits above, if during the **journey**, the **driver/rider** cannot drive/ride because of an injury or illness they have gained, and there is no one else able or qualified to drive/ride the **vehicle**, we will provide, and pay for, a **driver/rider** to finish the journey or return the **vehicle** and passengers to the place you were originally travelling from. You will need to provide medical evidence within 28 days of the event for the driver/rider, otherwise you may be responsible for all costs incurred.

- A **breakdown** at or within 1 mile from your **home**.
- Anything mentioned in the general exclusions. (Please see section F.)

- If the **vehicle** breaks down anywhere at or within 1 mile from your **home**, we will arrange and pay for a breakdown vehicle to come to where you are for up to one hour to try to get the **vehicle** working again.
- If the vehicle cannot be made safe to drive/ride at the place you have broken down, we will arrange and pay for the **vehicle**, the **driver/rider** and up to six people to be taken to a suitable local garage (normally within 15 miles), for it to be repaired. You must pay the costs of any repairs.

Section E – European Breakdown

The cover in this section applies as well as the cover shown in Sections A, B, C, and D. It will only apply if it is shown on your Statement of Price/Statement of Demands and Needs and if the premium has been paid.

General notes relating to Europe

If you **breakdown** on a European motorway or major road, generally we cannot help you and you will often need to get help using the SOS phones. The local services will tow you to a place of safety and you will have to pay for the service as soon as possible. You can then contact us if you need more help. We will pay up to £100 towards the costs, but we will only refund claims when we have received a valid invoice or receipt. We will pay you in line with the exchange rate on the date of the claim.

If you **breakdown** in a European country during a public holiday, many services will be closed. In these circumstances you must allow us time to help you and repair your **vehicle**. We will not be held legally responsible for any delays in you reaching your destination.

E1 – Before travel abroad starts

The benefits shown under section E4 below also apply in the UK, as long as you **breakdown** during your **journey**.

E2 – Help at the roadside and towing in Europe

- If your **vehicle** breaks down, we will arrange and pay for a breakdown vehicle to come to where the **vehicle** is for up to one hour to try to get the **vehicle** working again.
- If your **vehicle** cannot be made safe to drive/ride at the place you have broken down, we will arrange and pay for your **vehicle**, the **driver** and up to six passengers to be taken to a suitable local garage (normally within 15 miles) for it to be repaired. You must pay the costs of any repairs by credit or debit card or any other payment method we agree is suitable.
- After the theft or attempted theft of the **vehicle** or its contents, we will pay the costs of repairing the damage or pay for replacement parts up to £200, which are needed for emergency roadside repairs to make your **vehicle** secure.

What is not covered

- Any costs for making the **vehicle** secure once you have returned to the UK.
- Sending you home to the UK within 48 hours of the original **breakdown** no matter what ferry or tunnel bookings for the homebound **journey** or pre-arranged appointments you have made within the UK.
- Sending you home if the **vehicle** can be repaired but you do not have enough money to cover the repair.
- Anything mentioned in the general exclusions. (Please see section F.)

Before travelling, it is recommended that you consult the laws of the country you are planning to visit. Before you travel, you should make sure that you check the documents you need to carry by law.

As a guideline, we recommend you take the following documents in case you need them by law in the countries in which you might break down.

- Photocard driving licence and supporting documents.
- Insurance documents.
- MOT certificate.
- Logbook (V5 registration document).

If you do not own the **vehicle**, confirmation that you have the owner's permission to drive it.

The above is not a full list and is for guidance only.

E3 – Delivering replacement parts

What is covered

- If replacement parts are not available locally to repair the **vehicle** after a **breakdown**, we will arrange and pay to have the parts delivered to you or an agreed place as quickly as reasonably possible.

What is not covered

- The actual cost of replacement parts and any customs duty. You must pay us this using a credit card or debit card or any other payment method we agree is suitable.
- Any amount for getting parts, if the replacement parts can be bought locally.
- Anything mentioned in the general exclusions. (Please see section F.)

E4 – Not being able to use your vehicle

What is covered

If during your **journey**, your **vehicle** breaks down and it is not safe to drive/ride, and it will take at least eight hours to repair, or if it is stolen and not recovered within eight hours, we will arrange and pay for the most appropriate solution from one of the following options:

- To move you, your passengers and **luggage** to where you were originally travelling to, and then, once your **vehicle** has been repaired, take you back to your **vehicle** or bring your **vehicle** to you: or
- The cost of hiring another **vehicle** while your **vehicle** is being repaired. We will pay up to £70 a day and £750 in total, as long as you are able to meet the conditions of the hire vehicle company: or
- We will pay for bed and breakfast costs of up to £40 for each person each day (£500 in total for you and your passengers) while your **vehicle** is being repaired, as long as you have already paid for your original accommodation and you can't get your money back.

What is not covered

- The cost of fuel or lubricants you use in the hire vehicle.
- Replacement parts.
- Any insurance you have to pay to the hire vehicle company.
- Anything mentioned in the general exclusions. (Please see section F.)

E5 – If you become ill or injured and can't drive/ride

What is covered

- If, during the journey, the **driver/rider** cannot drive/ride because of an injury or illness, and there is no one else able or qualified to drive/ride the **vehicle**, we will provide, and pay for, a **driver** to finish the **journey** or return the **vehicle** and passengers to the place you were originally travelling from. You will need to provide medical evidence within 28 days of the event for the **driver/rider**, otherwise you could be responsible for all costs incurred.

What is not covered

- Anything mentioned in the general exclusions. (Please see section F.)

E6 - If you can't use your own vehicle to get home

What is covered

If after a **breakdown** your **vehicle** is still not repaired or safe to drive/ride when it is time for you to return to the UK, we will pay for suitable transport to get you, your passengers and your **luggage** to your **home**, and up to £150 towards other travel costs in the UK while you wait for your own **vehicle**. We will also pay storage charges (up to £100) while your **vehicle** is waiting to be repaired, collected or taken to the UK.

We will then choose the most appropriate solution from the following options:

- take your **vehicle** to your **home** or your chosen repairer in the UK
- pay the cost of one rail or sea ticket (or an air ticket if the rail or sea trip would take more than 12 hours) for you to go to get your **vehicle** once it has been repaired.

What is not covered

- Any costs you would have paid anyway for travelling to your **home**.
- The costs of returning your **vehicle** to the UK if we believe that the cost of doing so would be greater than the market value of your **vehicle** in the UK, after the **breakdown**.
- The costs of returning your **vehicle** to the UK if repairs can be done locally and you are not willing to allow this to happen.
- Anything mentioned in the general exclusions. (Please see section F.)

Section F – General exclusions that apply to all parts of this policy

1. Any **breakdown** that happens during the first 24 hours after you take out cover for the first time, except for benefits shown under section A, which are available immediately.

3. The cost of paint-work and other cosmetic items.
4. Labour costs for more than one hour of roadside help.
5. Any **breakdown** or recovery outside the **period of cover**.
6. The cost and guaranteeing the quality of repairs when the **vehicle** is repaired in any garage the vehicle is taken to.
7. Any costs for **vehicles**, which have not been maintained and used in line with the manufacturer's recommendations.
8. Any call-out or recovery costs in the UK after a **breakdown** where the police or other emergency services insist on the **vehicle** being picked up immediately by another organisation. You will have to pay any fees to store or release the **vehicle**.

9. Any toll or ferry fees incurred by the **driver/rider** or the recovery operator.
10. Help or recovery if the **vehicle** is partly or completely buried in snow, mud, sand or water.
11. Damage or costs that arise from us trying to get into the **vehicle** after you have asked for help.
12. Losses of any kind that comes from providing, or delaying providing, the services this cover relates to. (for example, a loss of earnings, the cost of food and drink and costs we have not agreed beforehand).
13. Loss or damage to personal possessions you leave in your **vehicle**.
14. Moving animals. We will decide whether or not to move any animal from the **vehicle**, and if we agree to do this it will be completely at your own risk and cost.
15. Any costs for **vehicles** that have broken down or were not safe to drive/ride when cover was taken out.
16. The costs of getting a spare wheel or tyre for a roadside repair if the vehicle does not have one. We will not pay the costs of arranging for a wheel that is secured by locking wheel nuts to be removed, if the **driver/rider** is not able to provide a key to do this. This does not apply if the **vehicle** is not designed to carry a spare wheel.
17. The recovery of the **vehicle** and passengers if repairs can be carried out at or near the scene of the **breakdown** within the same working day. If recovery takes place we will only recover to one address in respect of any one **breakdown**.

20. Any request for service where you have not taken remedial action within two working days after a previous **breakdown** or temporary repair.
21. Recovering the **vehicle** when it is carrying more than a **driver/rider** and the recommended number of passengers according to the manufacturers' specifications, if there is more weight in the **vehicle** than it was designed to carry or you are driving on unsuitable ground.
22. Recovery or help if the **vehicle** is heavier than 3,500 kilograms, longer than 6 metres, higher than 3 metres or wider than 2.25 metres.
23. Recovery or help if you are hiring the **vehicle** out to carry people in return for money, unless we have agreed this with you.
24. We will not be responsible for any goods the **vehicle** is carrying and it is your responsibility to organise the recovery or removal of these goods.
25. **Vehicles** that have faults with electric windows, sunroofs, wipers, heaters, de-misters or locks not working, unless the fault happens during the course of a **journey** and this affects your safety.
26. Any claim that comes from:
 - any person driving/riding the **vehicle**, if you know they do not have a valid licence to drive/ride in the UK; or
 - any person driving/riding the **vehicle**, if they are not authorised by you to drive/ride the **vehicle** or are not keeping to the conditions of their driving licence.

27. Any claim that comes from a poor-quality repair or a repair that has been attempted without our permission during the same trip.
28. Any loss or damage caused to the **vehicle** or any loss or cost arising from or contributed to by:
 - ionising radiation or radioactive contamination from any nuclear fuel or from any nuclear waste which results from burning nuclear fuel; or

29. Loss or damage caused by war, revolution or any similar event.
30. Delays or failure in delivering service to you due to any extraordinary event or circumstance which are outside our reasonable control, such as severe weather conditions.
31. Mobile phone, phone call and postage costs are not covered under your policy in any circumstances.
32. Any costs relating to the caravan or trailer if the caravan or trailer is not attached to the **vehicle** at the time of the **breakdown**.

Section G – General conditions applying to all parts of this policy

1. The **vehicle** must be permanently registered in the UK and, if appropriate, have a current MOT certificate and valid road fund licence/tax disc on display. The **vehicle** should be kept in a good condition and have been serviced regularly in line with the manufacturer's recommendations. The vehicle must be less than 11 years old since first registration when travelling within Europe (section E).
2. We can ask for proof of outbound and inbound travel dates
3. If we arrange for temporary roadside repairs to be carried out after damage to the **vehicle**, or we take the **vehicle** to your chosen place, we will not be legally responsible for any more help in the same incident.
4. We have the right to refuse a service if you or your passengers are being obstructive in allowing us to provide the most appropriate help or if you are abusive to our rescue controllers or our recovery operators.
5. We will not pay you any benefit unless you contact us using the emergency phone numbers provided. You must not try to contact any agent or repairer direct.
6. You are responsible for keeping the **vehicle** and its contents safe, unless you are not able to or you have an arrangement with us or our recovery operators. You must be with the **vehicle** at the time we say we expect to be there.
7. You must quote your policy number when you call for help and have the relevant documents needed by the repairer, recovery specialist or our chosen agent.
8. You will have to pay the cost of moving the **vehicle** or a repair vehicle coming out to you if, after asking for help which you are entitled to, the **vehicle** is moved or repaired in any other way.
9. We are not responsible for any actions or costs of garages, recovery firms or emergency services carrying out work or acting on your instructions or the instructions of any person acting on your behalf. You are responsible for ensuring the quality of any repair.
10. If we pay a claim under any cover provided by this insurance, we will be entitled to ask for all reasonable help from you to take action in your name to get back our costs from an other organisation.
11. The **vehicle** must carry a serviceable spare tyre and wheel for the **vehicle** and any caravan or trailer attached to the **vehicle**. This condition does not apply if the **vehicle** is not designed to carry a spare wheel. If the **vehicle** is not designed to carry a spare wheel, you will need to carry the appropriate aerosol repair kit.
12. We have the right to choose a suitable garage that is able to carry out a repair, which you must pay for, as long as the garage can carry out the repairs within the time limits we have given. You must make the payment by credit or debit card.

13. Where you agree to a temporary roadside repair, you will be responsible for any costs and/or any damage to the **vehicle** you incur if you continue to drive/ride the **vehicle** as if a permanent repair had been carried out. You acknowledge that a temporary roadside repair is intended only to re-mobilise the vehicle so it may be taken to a suitable facility to enable a permanent repair to be carried out.
14. If the **vehicle** needs to be taken to a garage after a **breakdown**, the **vehicle** must be in a position that makes it reasonable for a recovery vehicle to pick it up. If this is not the case, you will have to pay any specialist recovery fees by credit or debit card.
15. You will have to pay for any parts or other products used to repair the **vehicle**. You must make the payment by credit or debit card.
16. We will not arrange for help if we think that it would be dangerous or illegal to repair or move the **vehicle**.
17. During any 12-month period we will not be responsible for more than two claims which arise from a common fault on the same **vehicle**. We will not be responsible for more than five claims in total for a **vehicle policy**. If you need our help more than the number of claims allowed on your policy in a 12-month period of cover or more than twice for the same fault on the same **vehicle**, you will have to pay for the services we provide. We will ask for a credit or debit card number before we help you.
18. If you are covered for **breakdown** by any other insurance policy or warranty, you must tell us.
19. If you are not willing to accept our decision or our agents' decision on the most suitable type of help, we will not pay more than £100 for any one **breakdown**, and you will be responsible for any additional costs due in recovering and repairing your **vehicle**.
20. We cannot guarantee that hire vehicles will always be available and we are not responsible if they are not available. We will do our best to arrange a vehicle of the same size as yours, but we cannot guarantee that there will be tow bars, bike racks, roof boxes, or other accessories included. You must meet the conditions of a hire vehicle company to hire a vehicle.
21. This insurance contract is between you and us. Any person or company who is not party to this insurance policy has no right under the Contracts (Right of Third Parties) Act 1999 to enforce any condition of this insurance policy. This does not affect any other rights an other organisation has apart from under that Act.
22. A pro-rata refund of premium paid, if your policy is cancelled outside of the 14 day period described above unless you have made a claim, in which case no refund will be given.
23. If your insurance to which this product is attached is cancelled, the cover under this policy will also be cancelled. A pro-rata refund will be given unless the cancellation is within the 14 day period.
