## Useful hints and tips to help you protect your home

- ✓ If you leave your home unattended, leave the heating on low.
- ✓ Know where the water shut off valve (stopcock) is to isolate the supply in an emergency.
- ✓ In severe cold weather open the loft hatch to warm the void.
- ✓ Regularly check the condition of all roofs for signs of wear and tear, particularly when there has been heavy snowfall.
- ✓ Keep gutters, gullies and drains clear to carry water away quickly and efficiently.
- ✓ Consider cutting back low hanging tree branches which could cause damage in high winds.
- ✓ Burglars often check convenient locations for a spare key. It is advisable to ensure that keys are not within easy reach of the letter box.
- ✓ When nobody is home ensure all doors and windows that are in easy reach are locked. You can reduce the risk of theft by installing locks to all doors and windows.
- ✓ A properly functioning smoke detector will alert you in the early stages of a fire giving as much time as possible to make an escape. Test your smoke detector regularly.
- ✓ Avoid leaving pans, cigarettes or candles left unattended or in a place likely to be knocked over.

# Information about your contracts of insurance

You will enter into two separate contracts when you take out an insurance policy through us. The first contract is with Hastings Direct for arranging and administering your insurance policy, on your behalf, and we shall charge you an arrangement and administration fee for providing our services. Hastings Direct's terms and conditions are set out in this document (pages 6-11).

The second contract is with the insurer noted on your policy schedule, for providing your insurance, and they shall charge you a separate premium inclusive of insurance premium tax. Their terms and conditions are set out in this document (pages 18-68) the statement of insurance, and policy schedule, all of which are in your welcome pack.

Please note that when we are arranging your insurance on your behalf or making any adjustments to it we are acting on your behalf as your agent. All claims will be dealt with by the insurer concerned.

# Renewing your policy

At least 24 days before your policy end date we'll send you a notice of renewal letting you know that your policy is due to expire. In most cases, this notice will include an offer to renew for another year. To help you make an informed decision, any offer made will include key facts about your policy, any changes to the policy terms and an offer price.

In a small number of cases, your insurer may not make you an offer to renew your policy. If this happens, we will search our panel of insurers to try and find an alternative insurer for you. If we're able to find an alternative insurer, we'll include their offer in your notice of renewal. Likewise, we'll tell you if we're unable to find you an insurer.

If you're intending to accept a renewal offer, you must take reasonable care to ensure that your information contained in the policy is correct. This includes, but is not limited to, informing us of any incidents, whether or not a claim was made, or any prosecutions. Failure to notify us of any required changes may result in your policy being cancelled or treated as if it never existed, or in your claim being rejected or not fully paid.

If anything is not correct, or you need to inform us of any changes to your policy, please contact our customer services team on 0333 321 9801.

Each renewal of the policy represents a new contract of insurance. You will enter into a new contract of insurance with your insurer commencing on the cover start date shown on your renewal schedule.

## Automatic renewal

We automatically renew most policies. This means that, unless you tell us otherwise, your new insurance cover will start on your renewal date. If we intend to automatically renew your policy we'll tell you on your notice of renewal.

In a small number of cases, we won't automatically renew your policy. We'll tell you on your notice of renewal if this is the case. Some of the reasons why we may not automatically renew your policy include:

- 1) You have previously told us you don't want to automatically renew your policy.
- 2) Our panel of insurers won't insure you for another year.
- 3) You've an outstanding debt on your current policy.

If you don't want to renew your policy, or wish to opt out of the automatic renewal process, please let us know before your renewal date. You can contact our customer services team on 0333 321 9801.

## **After renewal**

You have a right to cancel your policy at any time. For full details of your right to cancel please see pages 29–30.

If you pay for your policy by instalments, we'll continue to collect your premium on a monthly basis, using the same accounts details you gave to us the previous policy year.

If you pay for your policy by credit/debit card, we'll collect the renewal premium on the renewal date from the last card details given to us.

# Important guidance

Our Home Insurance policy is designed to protect you against the risk of things happening suddenly which you could not have expected such as fire, theft, flood and storm. It is not designed to protect you against losses that arise due to the gradual deterioration or poor maintenance of your home.

We want to ensure that you are fully aware of the extent of your cover, and would therefore urge you to read this policy in full along with your policy schedule. We have also taken this opportunity to bring some helpful information to your attention.

**This section does not form part of your policy and contains only examples of what is contained in your policy wording.**

## Collision

If someone crashes into your wall or your house make sure you record their name, address, vehicle registration and contact details. We will need this information to help us try to recover your excess.

## Subsidence

Damage caused by subsidence is the result of ground movement affecting your property. The most common signs of this are diagonal cracks away from door and window frames. Newer properties will often move for reasons other than subsidence and this natural settlement is not covered.

Subsidence and other types of ground movement can be difficult and complex to repair. It is important that you tell us as soon as possible if you think your house may be affected.

## Escape of water

Your cover for escape of water is designed to cover damage to your property caused by water leaks.

One of the biggest risks of water damage occurs when you are away during the winter when pipes can freeze and burst causing large amounts of damage. It is important that you take steps to avoid this by keeping your central heating on low so your pipes do not freeze over. If you want to turn your heating off then you should drain your central heating system and switch off the water at the mains.

If you are going away in the winter make sure you tell us as this cover ceases after the home has been unoccupied for more than 30 days.

In addition, many claims occur due to water leaks caused when the seals around your bath or shower have worn away. Pipes often burst because they have worn out; if this happens we will be able to pay for the damage the water caused but not to repair the pipe itself.

### **Fires**

A large percentage of fires start in the kitchen, and are caused by faulty electrical appliances or unattended cooking pans and equipment—particularly chip pans. In addition candles, cigarettes, electric blankets and overloaded plug sockets cause a significant fire risk.

Please ensure you bear these risks in mind and take adequate precautions to protect yourself and your family.

Smoke alarms save many lives and significant damage every year. Please ensure that you have them fitted and check them regularly.

### **Floods**

If water has or is expected to enter your property you should secure your home and move your valuables and essentials to an elevated place or upper floor. You should also turn off all the utilities like power, water and gas supplies at their main source and disconnect all electrical appliances if possible.

If you know that you live in an area which is prone to flooding, there are additional steps you can take to protect your home and we would recommend contacting your local Environment Agency for further advice or call Floodline on 0845 988 1188.

### **Drains**

Some drains which use defective materials such as pitch fibre in their construction are prone to naturally wear out over time. If this happens they will not be covered by your policy but there are more specific insurance policies available to protect you against this risk.

### **Storms**

Properties are designed to withstand damage by all but the most extreme weather conditions. Normal weather conditions should not cause damage to a well maintained property and damage of this nature is not covered by this policy. It is therefore important that you keep your property in a good state of repair. Areas that you should focus on include blocked or broken gutters or down- pipes, and loose or damaged roof tiles.

Some areas like flat roofs, fascia boards and boundary walls are difficult to inspect, so if you cannot check them yourself you should use a relevant building expert to do this for you.

## Thefts

Many thefts are committed by so called 'opportunist' criminals. Your property is significantly more likely to be burgled if accessible entrances are not locked and secured. Your policy may carry an endorsement about the security you have in place to prevent thefts. This usually requires you to have certain types of door and window locks. Make sure you check your policy schedule to ensure you have the right protection in place. Failure to meet these requirements could result in a higher excess being charged for theft claims, or could result in all or part of a claim not being paid.

If you are going away do what you can to make your house appear occupied. Ask a neighbour to pick up the mail, cancel milk and any other regular deliveries and use timers on lights if you have them.

Garages and sheds are attractive to criminals as they are easier to break in to and often contain valuable items such as tools or golf clubs. Locking these is another important step to minimising the risk of a theft.

You should also take particular care of items such as laptops and MP3 players or iPods if you have personal possessions cover. We will not cover the theft of such items if they have been left unattended outside of your home.

The information you have supplied forms part of the contract of insurance with us, your policy is evidence of that contract, you should read it carefully and keep it in a safe place. In return for having accepted your premium we will, in the event of injury loss or damage happening within the period of insurance, provide insurance as described in the following pages and referred to in your policy schedule. If after reading these documents you have any questions please contact Hastings Direct.

[We recommend that you read this policy in conjunction with your policy schedule to ensure that it meets with your requirements. Should you have any queries please contact Hastings Direct.](#)

## Your right to change your mind

You have the right to cancel this **policy** within 14 days of taking it out or renewing it (or within 14 days of receiving the **policy** documents, if later), without giving a reason. Unless you have made a claim under the policy, you will receive a refund of premium for the cover you have not used, subject to our cancellation fee of £25, our call centre arrangement fee of £12.50 (if applicable) and any charge made by the insurer. In these circumstances, the effective date of cancellation will be the date that you serve notice of your wish to cancel.

## Cancellation rights

We and your **insurer** both have the right to cancel your **policy** at any time by giving you 7 days notice in writing. We or your **insurer** will send a cancellation letter to the latest address we have for you and will set out the reason for cancellation in the letter. Neither we nor your **insurer** will ever cancel your **policy** without a valid reason for doing so. Valid reasons may include but are not limited to the following:

- Where we have been unable to collect a premium payment. In this case we will contact you in writing requesting payment by a specific date. If payment is not received by that date we will cancel your **policy** with immediate effect and notify you in writing that such cancellation has taken place.
- You refuse to allow us or your **insurer** reasonable access to your property in order to provide the services you have requested under this **policy** e.g. when you have a claim.
- Where you are required in accordance with the terms of this policy booklet to co-operate with us or your **insurer**, or send us or your insurer information or documentation and you fail to do so in a way that materially affects your **insurer's** ability to process your **policy**, a claim, or ability to defend their interests.
- If, by law or other reason, we are prevented from providing cover under this **policy**.
- Where there is a material failure by you to take care of your property as required by the paragraph headed "Taking care of your property" in the General Conditions section of this policy booklet.

  - Make or try to make a fraudulent claim under this policy or where we reasonably suspect fraud.
  - Fail to cooperate with our or your **insurer's** representatives, use threatening or abusive behaviour or language, or intimidation or bullying of our or your **insurer's** staff or suppliers.

In these circumstances if you make a valid claim before the **policy** is cancelled, your insurer will pay it before your **policy** is cancelled.

You may also cancel the **policy** at any time after the initial 14 day period detailed above by contacting us.

### Following cancellation, your refund of premium will be calculated as follows:

- If you serve notice of cancellation prior to commencement of cover, you will be entitled to a full refund of the premium you have paid, less our call centre arrangement fee of £12.50 (if applicable).
- If you or we cancel the policy within the 14 days cooling off period, unless you have made a claim under the **policy**, you will receive a refund of premium for the cover you have not used, subject to our cancellation fee of £25, our call centre arrangement fee of £12.50 (if applicable) and any charge made by the **insurer**.
- If you or we cancel the **policy** at any other time, we will refund the part of the premium you have not used subject to our cancellation fee of £35, our call centre arrangement fee of £12.50 (if applicable) and any charge made by the **insurer**.

### Claims

No refund of premium will be provided if you have made a claim, or if one has been made against you, during the period of insurance and if you are paying by instalments, you will have to pay the balance of the annual premium and our cancellation fee of £35 will still be payable.

### Instalments

If you cancel your **policy**, the instalments you have paid may not be sufficient to pay for the cover that has been provided and you will need to pay the balance that remains following cancellation.

In addition to the above, if Hastings Direct or your **insurer** gives a discount on fees and/or premium at the inception of your **policy**, and the **policy** is subsequently cancelled we shall be entitled to reduce the amount of any refund to enable us to reclaim the unused portion of the discount.

If you do not pay for your insurance, you must show these details to the person who paid on your behalf.
