- Legal costs up to £100,000 for certain types of disputes resulting from a Road Traffic Accident.
- Legal expenses to defend you in a prosecution for motoring offences.
- 24/7 legal advice.

Please read these terms, conditions and exclusions carefully so that you understand what you're covered for.

## Terms of cover

If a claim is accepted under this insurance, we'll appoint our panel solicitors, or their agents, to handle your case.

You're not covered for any other legal representatives' fees unless it's necessary to start court proceedings or a Conflict of Interest arises. If either of these circumstances arise and you want to use a legal representative of your own choice, you'll be responsible for costs above the Instructed Advisers' Costs.

This insurance covers Advisers' Costs up to the maximum of £100,000 where:

- The Insured Incident takes place during the Insured Period and within the Territorial Limits
- The Legal Action takes place within the UK or EU.

This insurance doesn't provide cover where something you do, or fail to do, prejudices your position or the position of the Underwriters in connection with the Legal Action.

## Your motor legal expenses insurance explained

### Recovery of losses and personal injury not covered by your motor insurance

#### What's covered

Up to £100,000 of legal costs to pursue damages arising from a Road Traffic Accident which causes:

- Death or injury to an insured person travelling in, or getting into or out of, your Vehicle
- Damage to the Vehicle or personal property not covered by your motor insurance
- Out of pocket expenses such as loss of your insurance policy excess, courtesy car hire and other costs including applications for payment under agreements funded by the Motor Insurers' Bureau (MIB).

If the Legal Action is to be decided by a court in England or Wales and the damages you're claiming are above the small claims court limit, the Adviser must enter into a Conditional Fee Agreement which waives their own fees if you fail to recover the damages. This means that, win or lose, you won't have to pay any fees.

## Personal injury claims

If the damages you're claiming are below the small claims limit, Advisers' Costs will be covered as long as they're not more than the amount in dispute.

### What's not covered

- Stress, psychological or emotional injury unless it arises from you suffering physical injury
- Claims relating to an agreement you've entered into with another person or organisation offering legal advice.

## Motor prosecution defence

### What's covered

- Legal costs to defend a case dealing with a motoring offence committed while using the insured Vehicle.
- Pleas in Mitigation, in certain circumstances: these may be put to a court to request leniency. These are covered where there is a 51% chance or better prospect of success.

### What's not covered

- Parking offences
- Alleged road traffic offences where you didn't hold, or were disqualified from holding, a driving licence
- Road traffic offences for which you are being prosecuted for driving while under the influence of alcohol, drugs or other substances, whether prescribed or not
- Advisers' Costs: if you're entitled to a grant of legal aid from the Legal Aid Agency or where funding is available from another public body, a trade union, employer or any other insurance policy
- Motoring prosecutions where your motorcycle insurers have agreed to provide your legal defence.

# General exclusions

## You're not covered

- If the Insured Incident happened before you bought this insurance.
- If you fail to give proper instructions to us or the Adviser, or fail to respond to a request for information or attendance by the Adviser.
- If Advisers' Costs haven't been agreed in advance or exceed those for which we've given our prior written approval.
- For Advisers' Costs incurred by avoidable correspondence or which are recoverable from a court, tribunal or other party.
- For claims made by or against the Underwriter, us or the Adviser.
- For any claim arising from racing, rallies, track days including on de-restricted toll roads such as the Nurburgring, competitions, off-road events, trials, or when your Vehicle is driven on an airfield.
- For an application for Judicial Review, which reviews the legality of a legal decision or action
- If you start an appeal without our prior written consent.
- For any Legal Action that we reasonably believe to be false, fraudulent, exaggerated or where you've deliberately misled the Adviser.
- If you were disqualified from driving, did not hold a valid driving licence or the Vehicle didn't have a valid MOT certificate or road fund licence or comply with any laws relating to its ownership or use, at the time of the Insured Incident.
- For disputes between the Adviser and any other party which only relate to the level of Advisers' Costs.
- For your own solicitor's costs where your claim is being pursued under a Conditional Fee Agreement.
- Where your estimated Advisers' Costs are greater than the amount in dispute, (except in relation to claims for losses not covered by your motor policy).
- If your Underwriters reject or cancel your motorcycle insurance policy or refuse Indemnity.

# General conditions

## 1. Claims

- You must notify us as soon as possible and within a maximum of 180 days once you become aware of the Insured Incident. There will be no cover under this policy if, as a result of a delay in reporting the claim, our position has been prejudiced. To report a claim you must follow the instructions under 'How to claim'.
- We'll appoint the Adviser to act on your behalf.
- We may investigate the claim and take over and conduct the Legal Action in your name subject to your consent (which mustn't be unreasonably withheld) and we may reach a settlement of the Legal Action.
- You must supply, at your own expense, all the information which we reasonably ask for to decide whether a claim may be accepted. If court proceedings are issued, or a Conflict of Interest arises, and you wish to nominate a legal representative to act for you, you may do so. Where you've elected to use a legal representative of your own choice you will be responsible for any Advisers' Costs in excess of our Instructed Advisers' Costs. The Adviser must represent you in accordance with our standard conditions of appointment which are available on request.

### **The Adviser must:**

- Provide a detailed view of your prospects of success including the prospects of enforcing any judgement obtained without charge.
- Keep us fully informed of all developments and provide any information as we may require.
- Keep us regularly informed/updated of costs incurred.
- Tell us of any offers to settle and payments into court. If, against our advice, such offers or payments aren't accepted there will be no further cover for Advisers' Costs unless we agree, in our absolute discretion, to allow the case to proceed.
- Submit bills for assessment or certification by the appropriate body if we ask for them
- Attempt to recover costs from third parties.
- Agree not to submit a bill for Adviser's costs to the Underwriter until the conclusion of the Legal Action.
- If there is a dispute about costs, we may require you to change Adviser.
- Your Underwriter will only be liable for costs for work expressly authorised by us in writing and undertaken while there are reasonable prospects of success.
- You must supply all information requested by the Adviser and us.
- If you withdraw from the Legal Action without our prior consent you will be responsible for any Advisers' Costs. Any costs already paid by us must be repaid by you.
- You must instruct the Adviser to provide us with all the information that we ask for and report to us as we ask, at their own cost.

## **2. Disputes**

Any disputes between you and us in relation to our assessment of your prospects of success or nomination of solicitor may, where both parties agree, be referred to an arbitrator who will be either a solicitor or barrister. If the parties cannot agree on their choice of arbitrator the Law Society may be asked to make a nomination. The arbitration will be binding and carried out in accordance with the Arbitration Act. The costs of the arbitration will be at the discretion of the arbitrator.

## **3. Prospects of success**

We cover costs when we believe there is a 51% chance or better of winning the case and achieving a Positive Outcome. If independent legal advice supports our view that the prospects of success are less than this we may decline support or any further support.

Examples of a Positive Outcome are:

- Being able to recover the amount of money at stake
- Being able to enforce a judgement
- Being able to achieve an outcome which best serves your interests.

## **4. Other insurances**

If any claim covered under this policy is also covered by another legal expenses policy, or would have been covered if this policy did not exist, we will only pay our share of the claim, even if the other insurer refuses the claim.

## **5. English law**

This contract is governed by English law unless otherwise agreed.

## **6. Language**

All communications will be in English.

## Section B – Roadside and Recovery in the UK

The cover in this section applies in addition to the cover shown in section A. This cover only applies if it's shown on your Cover Summary and payment summary and the premium has been paid.

### What's covered under section B:

If the Vehicle can't be made safe to ride at the place you've broken down, and can't be repaired the same day at a suitable local garage, then, taking your circumstances into account, we'll choose the most appropriate solution from one of the following options:

**Option 1:** Recovery: We'll take the rider and passengers, together with the Vehicle, either to where you were originally travelling to or your Home address. We'll then arrange for the Vehicle to be taken to a suitable repairer for it to be repaired at your cost, as long as this can be done in one Journey.

**Option 2:** Overnight accommodation: We'll pay the cost of bed and breakfast for one night only. We will pay up to £40 for each person (up to a total of £280 per event).

**Option 3:** 24-hour UK vehicle hire: We'll pay (up to £100) for a hire vehicle (with an engine of up to 1600cc for up to 24 hours). You'll be responsible for returning the hire vehicle and collecting your repaired Vehicle. You must meet the conditions of the hire company to be able to hire a vehicle.

### **Emergency driver:**

As well as the benefits above if, during the Journey, the rider cannot ride because of an injury or illness they have suffered, and there is no one else able or qualified to ride the Vehicle, we will provide, and pay for, an emergency rider to finish the Journey or return the Vehicle and passengers to the place they were originally travelling from. You'll need to provide medical evidence for the injury/illness affecting the rider within 28 days of the event otherwise you may be responsible for all costs incurred.

### **What's not covered under section B:**

- A Breakdown at your Home or within a quarter of a mile of your Home
- Travel outside the UK
- Anything listed in the general exclusions – section F.

## **Section C – Home service**

The cover in this section applies in addition to the cover shown in Sections A and B. You're covered if it's shown on your Cover Summary and payment summary and the premium has been paid.

### **What's covered under section C:**

- If the Vehicle breaks down at your Home or within a quarter of a mile of it, we'll arrange and pay for a recovery operator to come to where you are for up to one hour to try to get the Vehicle working again.
- If the Vehicle can't be made safe to ride at the place you've broken down, we'll arrange and pay for the Vehicle, the rider and passengers to be taken to a suitable local garage (normally within 15 miles), for it to be repaired. You must pay the costs of any repairs.

### **What's not covered under section C:**

- Travel outside the UK
- Anything listed in the general exclusions – section F.

## Section D – Misfuelling in the UK

This is included with all levels of cover in sections A, B and C.

### What's covered under section D:

We'll pay up to a maximum of £250 per claim for the following if the wrong type of fuel is used in your Vehicle, in the UK only. This applies whether you're still on the petrol station forecourt or the Vehicle has been ridden away:

- Draining and flushing the fuel tank on site using a specialist roadside vehicle, or
- Recovery of the Vehicle, the rider and passengers to the nearest repairer to drain and flush the fuel tank, and
- Replenishing the fuel tank with 10 litres of the correct fuel.

### What's not covered under section D:

- Any costs above £250 per claim – you'll have to pay anything over this amount
- Misfuelling which happens outside the UK
- Fuel, except the 10 litres of correct fuel to replenish the fuel tank after draining and flushing out the contaminated fuel
- Any claim resulting from foreign matter entering the fuel system, except diesel or petroleum fuel
- Mechanical or component damage to your Vehicle, whether or not caused as a result of misfuelling
- The cost of hiring an alternative vehicle if mechanical or component damage happens
- Any defect arising directly and/or indirectly as a result of misfuelling or a defect which existed before the incident of misfuelling
- Anything listed in the general exclusions – section F.

## Section E – European Breakdown

If cover in this section is shown on your Cover Summary it's in addition to sections A, B, C, and D.

### General notes relating to Europe

If you break down on a European motorway it's usually quicker and easier to get help by using the SOS phones at the roadside.

The local services will tow you to a place of safety and you'll have to pay for their service as soon as possible. You can then contact us if you need more help.

We'll pay up to £100 towards these costs, but we'll only refund claims when we have received a valid invoice or receipt. We'll pay you in line with the exchange rate on the date of the claim.

If you break down in a European country during a public holiday, many services will be closed. In these circumstances you must allow us time to help you and repair your Vehicle. We won't be held legally responsible for any delays in you reaching your destination.

### **Your cover**

If your Vehicle can't be ridden because of a Breakdown in Europe (including the UK part of your Journey), we'll arrange for a vehicle rescue operator to spend up to one hour to try to fix it. If it can't be fixed, we'll arrange for the Vehicle to be taken to a garage to be repaired at your cost.

This cover also includes:

- Delivering replacement parts (please note that the cost of the parts is not covered)
- Other travel arrangements to finish the Journey or return Home
- Emergency car hire
- Emergency accommodation
- An emergency rider
- Vehicle recovery to the UK.

**Your Vehicle must be less than 11 years old since its first registration when travelling within Europe, otherwise it's not covered by section E.**

## **E1 – Before travel abroad starts**

The benefits shown under section E4 also apply in the UK, as long as you break down during your Journey to Europe.

## **E2 – Roadside help and towing in Europe**

### **What's covered under section E2:**

- If your Vehicle breaks down, we'll arrange and pay for a recovery operator vehicle to come to where the Vehicle is for up to one hour to try to get the Vehicle working again.
- If your Vehicle can't be made safe to ride at the place you have broken down, we will arrange and pay for your Vehicle, the rider and passengers to be taken to a suitable local garage (normally within 15 miles) for it to be repaired. You must pay the costs of any repairs by credit or debit card.
- After the theft or attempted theft of the Vehicle or its contents, we'll pay the costs of repairing the damage or pay for replacement parts up to £200, which are needed for emergency roadside repairs to make your Vehicle secure.

### **What's not covered under section E2:**

- The cost of fuel.
- The cost of any spare parts needed to get the Vehicle working again, or any costs caused by not being able to get replacement parts.
- Sending you Home if the Vehicle can be repaired but you don't have enough money to cover the repair.
- Any costs for making the Vehicle secure once you've returned to the UK.
- Sending you Home to the UK in the first 48 hours after the original Breakdown, no matter what ferry or tunnel bookings for the homebound Journey or pre-arranged appointments you have made within the UK. This is to allow time for your Vehicle to be assessed and decisions made about the appropriate course of action.
- Anything listed in the general exclusions – section F.

## **E3 – Delivering replacement parts**

### **What's covered section E3:**

If replacement parts aren't available locally to repair the Vehicle after a Breakdown, we'll arrange and pay for the parts to be delivered to you or an agreed place as quickly as reasonably possible.

### **What's not covered under section E3:**

- The actual cost of replacement parts and any customs duty. You must pay using a credit card or debit card or any other payment method we agree is suitable.
- Any delivery costs for replacement parts if they can be bought locally.
- Anything listed in the general exclusions – section F.

## **E4 – Not being able to use your Vehicle**

### **What's covered under section E4:**

In these circumstances:

- Your Vehicle breaks down, it's not safe to ride, and it will take at least eight hours to repair, or;
- Your Vehicle is stolen and not recovered within eight hours, then we'll arrange and pay for the most appropriate solution from these options:
  - Transporting you, your passengers and Luggage to where you were originally travelling, and then, once your Vehicle has been repaired, take you back to your Vehicle or bring your Vehicle to you.
  - Hiring another vehicle while your Vehicle is being repaired. We'll pay up to £70 a day and £750 in total, as long as you're able to meet the conditions of the vehicle hire company.
  - Bed and breakfast costs of up to £40 for each person each day (£500 in total for you and your passengers) while your Vehicle is being repaired, as long as you've already paid for your original accommodation and you can't get your money back.

### **What's not covered under section E4:**

- Replacement parts
- The cost of fuel or lubricants you use in the hire vehicle
- Any insurance you have to pay to the vehicle hire company
- Anything listed in the general exclusions – section F.

## **E5 – If you become ill or injured and can't ride**

### **What's covered under section E5:**

If, during the Journey, the rider can't ride because of an injury or illness, and there is no one else able or qualified to ride the Vehicle, we'll provide, and pay for, an emergency rider to either:

- Finish the Journey, or
- Return the Vehicle and passengers to the place they were originally travelling from.

You'll need to provide medical evidence about the rider's injury or illness within 28 days of the event otherwise you may be responsible for all costs incurred.

### **What's not covered under section E5:**

- Any costs you can get back under any other insurance policy or under the service provided by any motoring organisation you're a member of.
- Anything listed in the general exclusions – section F.

## **E6 - If you can't use your own Vehicle to get Home**

### **What's covered under section E6:**

After a Breakdown, if your Vehicle is still not repaired or safe to ride when it is time for you to return to the UK, we'll pay for suitable transport to get you, your passengers and your Luggage to your Home, and up to £150 towards other travel costs in the UK while you wait for your own Vehicle. We'll also pay storage charges (up to £100) while your Vehicle is waiting to be repaired, collected or taken to the UK.

We'll then choose the most appropriate solution from these options:

- Take your Vehicle to your Home or your chosen repairer in the UK; or
- Pay the cost of one rail or sea ticket (or an air ticket if the rail or sea trip would take more than 12 hours) for you to get your Vehicle once it has been repaired.

### **What's not covered under section E6:**

- Any costs you would have paid to travel to your Home anyway.
- The costs of returning your Vehicle to the UK if we believe that the cost of doing so would be greater than the market value of your Vehicle in the UK, after the Breakdown.
- The costs of returning your Vehicle to the UK if repairs can be done locally and you're not willing to allow this to happen.
- Anything listed in the general exclusions – section F.

## **Section F – General exclusions – (these apply to all parts of this policy)**

1. The cost of fuel or any spare parts needed to get the Vehicle working again, or any costs that arise from not being able to get replacement parts.
2. The cost of paintwork and other cosmetic items.
3. Labour costs for more than one hour of roadside help.
4. Any Breakdown or recovery outside the Period of Cover.
5. The cost of completing and guaranteeing the quality of repairs at any garage the Vehicle is taken to.
6. Any costs for Vehicles which haven't been maintained and used in line with the manufacturer's recommendations.
7. Any call out or recovery costs in the UK after a Breakdown where the police or other emergency services insist on the Vehicle being picked up immediately by another organisation. You'll have to pay any fees to store or release the Vehicle.
8. Any toll or ferry fees incurred by the rider or the recovery operator.
9. Help or recovery if the Vehicle is partly or completely buried in snow, mud, sand or water.
10. Damage or costs that arise from us trying to get into the Vehicle after you've asked for help.

11. Losses of any kind that come from providing, or delaying providing, the services this cover relates to. (For example, a loss of earnings, the cost of food and drink and costs we haven't agreed beforehand).
12. Loss or damage to personal possessions you leave in your Vehicle.
13. Moving animals. We'll decide whether or not to move any animal from the Vehicle, and if we agree to do this it will be completely at your own risk and cost.
14. Any costs for Vehicles that have broken down and were not safe to ride when cover was taken out.
15. The costs of getting a spare wheel or tyre for a roadside repair if the Vehicle does not have one. We won't pay the costs of arranging for a wheel that is secured by locking wheel nuts to be removed, if the rider is not able to provide a key to do this. This doesn't apply if the Vehicle is not designed to carry a spare wheel.
16. The recovery of the Vehicle and passengers if repairs can be carried out at or near the scene of the Breakdown within the same working day.
17. If recovery takes place we will only recover to one address in respect of any one Breakdown.
18. Any costs if the Vehicle has been altered for, or is taking part in, road-racing, rallying, pace-making, speed testing or any other competitive event.
19. Any cost that you can get back under any other insurance policy or under the service provided by any motoring organisation.
20. Any request for service where you haven't taken remedial action within two working days after a previous Breakdown or temporary repair.
21. Recovering the Vehicle when it is carrying more than a rider and the recommended number of passengers according to the manufacturers' specifications, if there is more weight in the Vehicle than it was designed to carry or you're riding on unsuitable ground.
22. Recovery or help if you're hiring the Vehicle out to carry people in return for money, unless we've agreed this with you.
23. We will not be responsible for any goods the Vehicle is carrying and it is your responsibility to organise the recovery or removal of these goods.
24. Vehicles that have faults with electric windows, sunroofs, wipers, heaters, de-misters or locks not working, unless the fault happens during the course of a Journey and this affects your safety.
25. Any claim that comes from:
  - any person riding the Vehicle, if they don't have a valid licence to ride in the UK; or
  - any person riding the Vehicle, if they aren't authorised by you to ride the Vehicle or aren't keeping to the conditions of their driving licence.
26. Any claim that comes from a poor-quality repair or a repair that has been attempted without our permission during the same trip.
27. Any loss or damage caused to the Vehicle or any loss or cost arising from or contributed to by:
  - ionising radiation or radioactive contamination from any nuclear fuel or from any nuclear waste which results from burning nuclear fuel; or
  - the radioactive, toxic, explosive or other dangerous properties of any nuclear machinery or any part of it.

28. Loss or damage caused by war, revolution or any similar event.
29. Delays or failure in delivering a service to you due to any extraordinary event or circumstance which is outside our reasonable control, such as severe weather conditions.
30. Mobile phone, phone call and postage costs are not covered under your policy in any circumstances.
31. Any costs relating to the caravan or trailer if the caravan or trailer is not attached to the Vehicle at the time of the Breakdown.

## **Section G – General conditions – these apply to all parts of this policy**

1. The Vehicle must be permanently registered in the UK and, if appropriate, have a current MOT certificate and valid road fund licence.
2. The Vehicle should be kept in a good condition and have been serviced regularly in line with the manufacturer's recommendations.
3. The Vehicle must be less than 11 years old since first registration when travelling in Europe (section E).
4. We can ask that you provide proof of outbound and inbound travel dates.
5. If we arrange for temporary roadside repairs to be carried out after damage to the Vehicle or we take the Vehicle to your chosen place, we won't be legally responsible for any more help in the same incident.
6. We have the right to refuse a service if you or your passengers are being obstructive in allowing us to provide the most appropriate help or if you're abusive to our rescue controllers or our recovery operators.
7. We will not pay you any benefit unless you contact us using the emergency phone numbers provided. You mustn't try to contact any agent or repairer direct.
8. You're responsible for keeping the Vehicle and its contents safe, unless you're unable to or you have an arrangement with us or our recovery operators. You must be with the Vehicle at the time we say our recovery operators expect to be there.
9. You must quote your policy number when you call for help and have the relevant documents needed by the repairer, recovery specialist or our chosen agent.
10. You'll have to pay the cost of moving the Vehicle or a repair vehicle coming out to you if, after asking for help which you are entitled to, the Vehicle is moved or repaired in any other way.
11. We're not responsible for any actions or costs of garages, recovery firms or emergency services carrying out work or acting on your instructions or the instructions of any person acting on your behalf. You are responsible for ensuring the quality of any repair.
12. If we pay a claim under any cover provided by this insurance, we can ask for all reasonable help from you to take action in your name to get back our costs from another organisation.
13. The Vehicle must carry a serviceable spare tyre and wheel for the Vehicle and any caravan or trailer attached to the Vehicle. This condition does not apply if the Vehicle is not designed to carry a spare wheel but you will need to carry the appropriate aerosol repair kit.

14. We have the right to choose a suitable garage to carry out a repair, which you must pay for. You must make the payment by credit or debit card.
15. Where you agree to a temporary roadside repair, you'll be responsible for any costs and/or any damage to the Vehicle you incur if you continue to ride the Vehicle as if a permanent repair had been carried out. You acknowledge that a temporary roadside repair is intended only to re-mobilise the Vehicle so it may be taken to a suitable facility to enable a permanent repair to be carried out.
16. If the Vehicle needs to be taken to a garage after a Breakdown, the Vehicle must be in a position that makes it reasonable for a recovery operator to pick it up. If this is not the case, you'll have to pay any specialist recovery fees by credit or debit card.
17. You'll have to pay for any parts or other products used to repair the Vehicle. You must make the payment by credit or debit card.
18. We won't arrange for help if we think that it would be dangerous or illegal to repair or move the Vehicle.
19. During any 12 month period we won't be responsible for more than two claims which arise from a common fault on the same Vehicle, and we won't be responsible for more than five claims in total for a Vehicle Policy. If you need our help more than the number of claims allowed on your policy in a 12 month Period of Cover or more than twice for the same fault on the same Vehicle, you'll have to pay for the services we provide. We'll ask for a credit or debit card number before we help you.
20. If you're covered for Breakdown by any other insurance policy or warranty, you must tell us.
21. If you're not willing to accept our decision or our agents' decision on the most suitable type of help, we won't pay more than £100 for any one Breakdown, and you'll be responsible for any additional costs due in recovering and repairing your Vehicle.
22. We can't guarantee that hire vehicles will always be available and we're not responsible if they're not available. We'll do our best to arrange a vehicle of the same size as yours, but we can't guarantee there will be tow bars, bike racks, roof boxes, or other accessories included. You must meet the conditions of a vehicle hire company.
23. This insurance contract is between you and us. Any person or company who is not party to this insurance policy has no right under the Contracts (Right of Third Parties) Act 1999 to enforce any condition of this insurance policy. This doesn't affect any other rights another organisation has apart from under that Act.
24. We won't provide cover, pay any claim or provide any benefit if doing so would expose us to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom or United States of America.

# Conditions

## 1. Claims

When a claim or possible claim occurs, you, or an Insured Person, must tell us as soon as possible. You, or the Insured Person, must get, and act on, advice from a registered medical practitioner and have any medical examination that we ask and pay for. You or any Insured Person must give us (at your, or their, own expense) any documents, information, and evidence we need. If an Insured Person dies, we will be entitled to ask for, at our expense, a post mortem examination.

## 2. Fraudulent claims

You must not act in a fraudulent manner. If you or anyone acting for you:

- Make a claim under the policy knowing the claim to be false or fraudulently exaggerated in any respect; or
- Make a statement in support of a claim knowing the statement to be false in any respect; or
- Submit a document in support of a claim knowing the document to be forged or false in any respect; or
- Make a claim in any respect of any theft loss or damage caused by your wilful act;

Then we:

- Won't pay the claim;
- May declare the policy void and retain the premium;
- May inform the police.

## 3. Aggravated physical disability

If the consequence of an injury is aggravated by a physical disability, or condition of an Insured Person, which existed before the Accident occurred, we'll ask a Doctor to assess the effects that this condition has on your Bodily Injury. The amount of any benefit payable under this insurance in respect of the consequences of the Accident, shall be the amount which is reasonably considered by the Doctor would have been payable, if such consequences had not been so aggravated.

## 4. Notification

The police must be notified as soon as possible following any event likely to give rise to a claim under this insurance.

## **5. Your right to change your mind**

You may cancel the insurance without giving reason, by providing instruction to Hastings Direct within 14 days of it starting or (if later) within 14 days of you receiving the insurance documents. We'll refund your premium in full as long as a claim has not been paid and a claim is unlikely to be made.

# Cancellations

This section contains important notes about your rights, and our rights, to cancel this policy. You must read these notes carefully. To cancel this cover, please contact Hastings Direct.

## Your rights to cancel this policy

You've got the right to cancel this policy within 14 days of taking it out or renewing it (or within 14 days of receiving the policy documents or renewal schedule, if later), without giving a reason. This is called the 'cooling-off period'.

You can also cancel this policy at any time after the initial 14 day period, detailed above, by giving seven days' notice to Hastings Direct.

## Our rights to cancel your policy

We can give you seven days' notice of cancellation if we have a valid reason. We, or Hastings Direct, can cancel your policy at any time by sending you seven days' written notice to the last postal or email address on our system, stating why the policy has been cancelled. Valid reasons may include but are not limited to:

- You fail to pay the premiums, or if you're paying in instalments by direct debit, you fail to pay Hastings Direct.
- You don't keep to the terms and conditions of this policy in any significant way.
- You don't co-operate with our representatives or Advisers.
- You use threatening or abusive behaviour or language, or intimidate or bully our staff or suppliers in connection with this policy.
- You refuse to allow reasonable access to your Vehicle and any information which we require in order to provide the services you've requested under this policy.
- We're prevented from providing cover under this policy by law or other reason.
- You repeatedly, or seriously, break the terms of this policy.

If your policy is cancelled, by you or us:

- A pro-rata refund of the premium will be given, as long as no claim has been made.
- If you've made a claim during the insured period, no refund of the premium will be given.

If you're paying by instalments and a claim has been made, you'll have to pay the balance of the annual premium.

## **We can cancel without giving you any notice**

If you make, or try to make, a fraudulent claim under this policy, or if we reasonably suspect fraud, we or Hastings Direct, have the right to cancel your policy without giving you notice and without refunding your premium. If your motorcycle insurance to which this cover is attached is cancelled, this policy will also be cancelled at the same time.

## **Caring for our customers**

In the unlikely event that you remain dissatisfied or if you want to contact the insurer directly, you can write to the Head of Personal Accident and Travel at Canopus Managing Agents Limited at Gallery 9, One Lime Street, London, EC3M 7HA. When you do this, please quote your insurance document number, as it will help us to deal with your complaint promptly.

After this action, if you're not satisfied with the way that your complaint has been handled, you may ask the Policyholder & Market Assistance department at Lloyd's to review your case. The address is Policyholder and Market Assistance, Lloyd's Fidentia House, Walter Burke Way, Chatham Maritime Kent. ME4 4N Tel: 020 7327 5693. Email: [complaints@lloyds.com](mailto:complaints@lloyds.com).

If you're still not satisfied, you may refer your complaint to the Financial Ombudsman Service (FOS).

See the back of this document for details.

As we are members of the Financial Services Compensation Scheme (FSCS), you may be entitled to compensation from the scheme if we can't pay out all valid claims under this insurance. This depends on the type of business and the circumstances of the claim. The scheme will cover 90% of the claim with no upper limit. For types of insurance you must have by law (such as third party insurance for motor claims), the scheme will cover the whole claim. You can get more information about the scheme from the FSCS or you can visit their website at [www.fscs.org.uk](http://www.fscs.org.uk).

This does not affect your right to take legal action if necessary.
